# INTRODUCTION

Members & Affiliated Associations,

It gives the NSWCUSA Management Team great pleasure to present for your consideration and adoption the Annual Report of your Association that covers its activities during the financial year from 1 May 2019 to 30 April 2020. Complementing the Annual Report are the Honorary Treasurer's Statement of Financial Performance for the year ended 30 April 2020 and the Statement of Financial Position as at that date.

The Annual Report is placed online, but is available to be sent as a book to members on request.

Season 2019-20 highlighted the outstanding commitment members of this Association make to cricket. Through smoke haze and poor air quality, extreme heat and rain you have all served the game in an exemplary fashion from a grassroots level in New South Wales to the international arena. The Association is held in high regard for its comradery amongst members, positive contribution to cricket and its ability to lead from the front.

*"The whole is greater than the sum of the parts."* Aristotle.

Bede Sajowitz is commended for his first-class work in organising and proofing this report. Darren Goodger is also thanked for his assistance with the proof reading of the report. Both go above and beyond to do what is best for New South Wales Cricket Umpires' and Scorers' Association.

It has been a successful season for the Association which is presented in the pages that follow. There have been significant opportunities for umpires and scorers to develop, improve and gain experience. Many of our colleagues have achieved excellence across all levels and we're proud of each for what they have accomplished. Their hard work, positive attitude and commitment to teamwork is there for all to see.

We trust you find the historical record of your Association's 107th year of interest. We look forward to serving cricket with positive energy throughout New South Wales in season 2020-21 as we attempt to recruit match officials, continue to assist with raising officiating standards across the State and work toward our aim of being the leading Umpires' and Scorers' Association in the world.

# CHAIRMAN'S MESSAGE

Colleagues,

Welcome to our 107th Annual Report.

It is with great pleasure that I foreword this, my second Annual Report as Chairman and I wish to acknowledge a number of people for their contributions.

Our Management Team undertook significant change this season and continues to provide outstanding service.

Darren Goodger, after seven years as Executive Officer, was recognised for his outstanding character, skills and contribution to cricket and its stakeholders by Cricket NSW, being asked to undertake an interim role as Senior Manager, Cricket which Darren accepted in August 2019. His new role leads and oversees the Umpire, Pathway and Competition Teams at Cricket NSW and assists the General Manager, Cricket Performance, David Moore, provide leadership and management to the growing and developing Cricket Performance Department.

In addition to overseeing the Umpiring Department in the Cricket Performance Department, Darren maintains a number of duties with NSWCUSA and Cricket Australia:

- State Umpiring Manager / State Umpiring Coach

- Overseeing and leading appointments to Cricket Australia Underage National Championships, NSW Premier Cricket First Grade, Kingsgrove T20 Cup, Country Representative Cricket and the Plan B Regional Bash

- Training and Development work

- NSW Premier Cricket Umpire Panel Selection Committee

This is wonderful recognition for Darren after outstanding service to our Association and Cricket NSW over many years of service. We have been truly blessed to have Darren's leadership over many years along with his continued involvement in his new role, including his wisdom and counsel as an Appointed Director on the Board of our Association.

Amongst all of this and the challenges endured in transition to his new role, Darren continues to excel on-field, this season winning the Panel 1 Medal in Premier Cricket for the tenth occasion with an unprecedented perfect match average of 5 out of 5, receiving scores of "excellent" across all categories from all captains in every match officiated in NSW Premier Cricket in the 2019-20 season.

On 9 September, after applications were sought and an interview process was held, I announced to our membership the appointment of Troy Penman as Executive Officer to coincide with Darren's interim role appointment.

# CHAIRMAN'S MESSAGE

Troy had demonstrated sustained high performance as Administration Manager of our Association and deserved the opportunity for this role, having been instrumental in building Association spirit through the organisation of high-quality functions, working effectively to ensure 100% coverage of SCA matches through a successfully implemented appointment strategy and in recent years obtaining significant sponsorship for our Association. With large boots to fill, Troy has done a very good job in his leading our Association in what has been a challenging commencement to his tenure. Coupled with his leadership of our Association, he has also managed his on-field duties with great success on his promotion to the Cricket Australia Supplementary Panel this season which included appointment to the WNCL Final in February at North Sydney Oval and his strong performance on Panel 1 in NSW Premier Cricket.

With Troy's appointment, Bede Sajowitz was elevated to the role of Administrator, NSWCUA. Bede is an outstanding asset to our association and is an accomplished administrator working for both our Association as well as cricket in this State. He is a leader of the highest quality and I commend him for his ongoing efforts in ensuring the needs of our members are met across the State. He is also excelling on-field, having been promoted to Panel 1 in NSW Premier Cricket this year and deservedly entered the Cricket Australia high performance pathway with his appointment to the, National Premier T20 Championships, the Under 15 Male National Championships, the Poidevin-Gray Shield Final in NSW Premier Cricket and his WNCL and WBBL debuts.

To Claire Polosak who, in the role of Umpire Educator-Female Engagement, continues to grow and develop our expanding ranks of female umpires in our Association. We now have 21 active female umpires in our ranks who collectively stood in 286 matches across our State in 2019-20. Claire continues to be an excellent educator and great support to our Association staff at Cricket NSW. Claire's on-field achievements also inspires our female members, the highlight for Claire being an appointment to a Semi Final of the ICC Women's T20 World Cup on home turf at the Sydney Cricket Ground in March along with a number of women's T20 and limited over international matches.

As a result of the changes in our team this season, and with the support of senior management of Cricket NSW, our Association was fortunate to be able to expand our team with the appointment of Ben Treloar in the role of Education Officer. Ben's experience and knowledge of the Laws of Cricket has been a valuable addition to our team and his contributions to our Ordinary General Meetings, along with his work now on providing education and development to our members in regular emails and use of online technologies will place our Association in good stead for the future.

Ben also had an outstanding year on-field, winning the George Borwick Medal for the fourth occasion, and also officiating in both the WBBL and WNCL Final.

# CHAIRMAN'S MESSAGE

Our membership continues to grow, as we welcomed 138 new members in 2019-20. Altogether 14 training courses for prospective umpires on the 2017 Code of the Laws of Cricket were conducted across both city and country with the cooperation of our local affiliates. Our membership thrives on education and development, with 197 members attending our convention held at Bankstown prior to the commencement of the season. Further training throughout the year, both in professional development sessions led by our trainers and educators, members of the State Umpiring Panel, our newly appointed Education Officer and the Examination Committee at our Ordinary General Meetings provided our members every opportunity to maximise their learning and game day preparation. To all those involved in education, my sincere thanks.

To our Patrons, Brian Booth MBE, Alan Davidson AM MBE, Dick French OAM and Graham Reed, I again thank you for your patronage, support and interest in our Association over many years. I acknowledge the support of Cricket NSW CEO, Lee Germon, for the faith he places in the Association to manage umpiring affairs in New South Wales. We have a successful relationship with Cricket NSW which we appreciate and respect.

I thank David Moore for his genuine support and encouragement of match officials and his interest in the progress and performance of umpires and scorers. From the Sydney Cricket Association, I acknowledge Committee of Management Chair Graham Gorrie, NSW Premier Cricket Manager Roy Formica and Competitions Officer Sean Mantle for their ongoing support and good working relationships. I thank SCA Code of Conduct Commissioner John McGruther, for his continuing support of match officials and advocacy for the Spirit of Cricket. We are equally indebted to NSW Country Cricket Association for the opportunities afforded to country umpires. Our thanks are offered to Bruce Whitehouse for his hard work and support.

Our Management Team again successfully filled all appointments in Premier and Shires fixtures for the Sydney Cricket Association. Whilst this has been the case for a number of years, the task remains challenging and we should never take for granted the need to continue to grow our numbers to continue to fulfil this significant objective. Members also embraced the opportunity to officiate in the NSW Youth Championships in 2019-20 with 1392 additional appointments made in these competitions.

Later in this report you will find recognition of our various award winners announced via email after the cancellation of our Annual Dinner and Awards Presentation. It saddens me that we were not able to celebrate with our award winners and those achieving milestone events in matches and years of services at Bankstown in April. I look forward to a time in the future where we have the opportunity to share in our members' successes from 2019-20.

# CHAIRMAN'S MESSAGE

I also acknowledge the success of NSWCUA development programs which has translated to the number of NSWCUA umpires contracted to Cricket Australia – Gerard Abood, Greg Davidson, Tony Wilds, Paul Wilson, Simon Lightbody, Troy Penman, Claire Polosak and Ben Treloar along with Rod Tucker on the ICC Panel of Elite Umpires. All have worked hard to deserve their opportunities and the accolades afforded to them. We are also well represented by members of our Association who serve as Cricket Australia Match Referees; Tim Donahoo, Neil Findlay, David Gilbert and Ian Thomas.

I congratulate David Gilbert and Adrian Tham on their first-class debuts as match referee and scorer respectively this season. A highlight for 2019-20 for me was being at the SCG to witness Gerard Abood and Paul Wilson officiating on-field for the Big Bash Final in February, and where New South Wales umpires and scorers were appointed to officiate across so many national finals across season 2019-20.

Congratulations to Christine Bennison on her outstanding career as she stands down from scoring duties over many years. She will be missed.

Many of our members go unnoticed in their dedication to serving both the game and the Association in both lower grades and also across our country regions. We are not all blessed with outstanding facilities and the challenge remains in making cricket both relevant and attractive to the next generation. To those who serve across our State, often on sweltering hot days without thanks or recognition, I personally thank you for your dedication to the game, to your role as match officials.

This season presented members with a number of new challenges in the area of ground, weather and light, with extreme heat, air quality and bushfires all impacting cricket across New South Wales. A sincere thanks to all of our members who worked so hard this season to ensure, in the words of the late Sir Donald Bradman, we play our part in leaving the game in better shape than we found it.

Finally, I wish to thank all of my fellow Directors for their contribution and service over a year that contained many challenges. Thanks to the oversight and diligence of our Board, our association is in a strong financial position and is well placed to meet whatever the future may bring as we face uncertain circumstances going forward. 2019-20 is one we are not likely to ever forget. I thank all Directors for their passion for our Association and umpiring, and for their diligence to the cause over the last year.

# SECTION 1 - AWARDS AND REPRESENTATIVE APPOINTMENTS

## Association Awards

### George Borwick Memorial Award

The winner of the George Borwick Memorial Award for season 2019-20 was **Ben Treloar**.

The George Borwick Memorial Award is named after our former Association President and Patron who umpired 24 Test matches, including in every Test of the Bodyline series. It was instituted in 1982 to perpetuate his memory.

George Borwick's dedication and commitment to umpiring and the Association was second-to-none in Australian umpiring. He enjoyed complete respect, was a loyal servant, a member for more than 55 years and is now a member of the Association Hall of Fame.

The award is presented annually to the member who exemplifies the spirit of George Borwick's contribution by their efforts both on and off the field during the season. A points system is used to determine the winner taking into account availability, meeting attendance and the average mark from captains' assessments.

The Award was keenly contested this season, and ultimately there was just 0.43 of a mark between first and sixth.

The top six in the 2019-20 George Borwick Memorial Award were:

# AWARDS AND REPRESENTATIVE APPOINTMENTS

Berend du Plessis, Clay Finnemore, Geoff Garland, Kedar Oza, Sharad Patel, Ben Treloar.

Ben has displayed outstanding commitment to the Association by attending the Annual Convention at Bankstown, the SCA rules night and every Association Ordinary Meeting between September and March when not on representative duties. He is a member of the Cricket Australia Supplementary Umpire Panel and made his List A debut in Adelaide in October. He was also appointed to officiate the Final of both the WBBL and WNCL - an outstanding achievement.

He also officiated as Third Umpire in the BBL and was appointed to five matches during the England Lions' tour of Australia. Ben is a highly-respected official and was also appointed to the Kingsgrove Sports T20 Cup Final at Drummoyne Oval.

Ben has now umpired 228 SCA matches since joining the Association in 2006, 143 of which have been in First Grade.

During the season, First Grade captains praised his decision-making, concentration and ability to remain composed under pressure; he finished with an exceptional 4.82 out of 5 match average.

Ben Treloar

This was Ben's fourth time winning the George Borwick Memorial Award.

## E. F. Wykes OAM Association Medal

The winner of the E. F. Wykes OAM Association Medal for 2019-20 was **David Cullen**.

The 'Ted' Wykes Medal was struck in honour of our late President and Patron, who was also a long-serving Vice-President of New South Wales Cricket Association.

Ted was a Test Umpire and a person who was a great friend and mentor to many in our Association and so generous with the time he gave to improving the Association. A man of few words, Ted was a true leader by his actions and commitment. He was widely respected in the game as a man of the highest integrity.

The winner of the 'Ted' Wykes Medal must be a member of an affiliated association who has displayed excellence and commitment to that association on and off the field throughout the season by way of meeting attendance, availability and consistent umpiring performance.

# AWARDS AND REPRESENTATIVE APPOINTMENTS

This season David attended every meeting conducted of the Illawarra Cricket Umpires' Association and led a fieldcraft training session for new members prior to the season commencing. His commitment to education and assisting others didn't stop there, as part of his association's training committee he developed two documents for the benefit of all members.

He is an umpire held in high regard and for the past four seasons, has been a member of the NSW Country Umpire Representative Panel. This season saw him appointed to the U15 and the U18 Female Country Championships, the Northern Carnival of the Country Championship and the Women's Regional Bash Final at the SCG. Locally, he was appointed to the First Grade T20 final.

David joined New South Wales Cricket Umpires' and Scorers' Association in 2006 and you would have to travel great distances to find a more genuine and humble individual who prides himself on teamwork and helping others. He is respected for his dedication, umpiring ability and composure.

## New South Wales Premier Cricket Panel Awards

The Panel Awards recognise excellence for the 'Umpire of the Year' in each grade as determined by captains' assessments throughout the season. To be eligible for a Panel Award a member must have officiated in at least 10 SCA matches.

Captains assess each umpire in terms of their decision making, decisiveness, match management and communication skills, concentration and level of positive attitude to the game. At the end of the season the umpire with the highest overall average wins the panel award.

### Panel 4

The winner of the Panel 4 Award for season 2019-20 was **Elizabeth O'Dwyer**.

Elizabeth joined the Association in May 2014 and has now officiated in 20 SCA matches. She received outstanding feedback from captains for her decision-making, decisiveness and match management.

She becomes only the second female umpire to win a Panel Award and first to win the Panel 4 Award since its inception in 1986-87. A remarkable achievement.

# AWARDS AND REPRESENTATIVE APPOINTMENTS

Elizabeth achieved an excellent match average of 4.66 out of 5 across the season in NSW Premier Cricket.

## Panel 3

The joint winners of the Panel 3 Award were **Geoff Garland** and **Julian Humphrey**.

For the first time in the Association's history, there were joint winners of the Panel 3 Award, with both umpires completing the season with a match average of 4.35 out of 5.

Geoff joined the Association in 1991 and was made a Life Member in 2019. He has a wealth of umpiring experience, having now stood in 443 SCA matches; captains praised him for his effective match management and communication along with his enjoyment of the game.

Julian joined the Association in 2016 and has now stood in 39 SCA matches; captains praised him for his match management and strength of communication along with his ability to maintain concentration for the duration of a fixture.

## Panel 2

The winner of the Panel 2 Award for season 2019-20 was **Mitchell Claydon**.

Mitchell joined the Association in 2017 and has now stood in 18 SCA matches, including making his First Grade debut in Round 14. A current first-class player in the UK, and with extensive playing experience behind him, he has an undeniable passion to continue his involvement in the game through umpiring.

Captains praised him for his decision-making, match management, composure and an excellent knowledge of the game, which saw him record an outstanding match average of 4.96.

## Panel 1

The winner of the Panel 1 Award for season 2019-20 was **Darren Goodger**.

Darren has had an extraordinary season with an incredible match average from First Grade captains of 5 out of 5. Captains praised all aspects of his umpiring, particularly commending his match management and decision-making.

# AWARDS AND REPRESENTATIVE APPOINTMENTS

Having joined the Association in 1993, he was made a Life Member in 2009 and wins the Panel 1 Award for an unprecedented fifth successive season, taking him to a record-breaking total of ten.

Originally officiating as a member of Clarence River District Cricket Umpires' Association, he has now officiated in 368 SCA matches, 275 of which have been in First Grade.

## Country Umpire of the Year - Kevin Pye Medallist

The Kevin Pye Medallist for season 2019-20 was **Graeme Glazebrook**.

The Country Umpire of the Year is named after Principal Member Kevin Pye, recognising his achievements as a country umpire in representative cricket and his commitment to supporting umpires in his role as the first Country Umpire Advisor.

Graeme joined the Association in 2007 and wins this award for a record-breaking fifth time.

The 2019-20 season saw Graeme officiate at the Australian Country Cricket Championships in Toowoomba where he was appointed by Cricket Australia to the Men's Division Final.

He also officiated the New South Wales Country Championship Final and the Plan B Regional Bash Final. He enjoys great respect across New South Wales for his quality decision-making, match management and composure.

Graeme officiates in the Bathurst District Cricket Association, he is Secretary of the Mitchell Cricket Umpires' Association and the NSWCUA Zone Representative for Western Zone.

## Alan Marshall Medal

The winner of the Alan Marshall Medal for season 2019-20 was **Mohit Uppal**.

The Alan Marshall Medal is an award available to new umpires to recognise on-field performance and off-field commitment to the Association. Unofficially known as the 'Rookie of the Year', it has the same stringent criteria as the George Borwick Memorial Award and is awarded to a first-season umpire. The Medal recognises and honours Alan's exceptional contribution to the education and development of new umpires.

# AWARDS AND REPRESENTATIVE APPOINTMENTS

Alan respected commitment, and this year's winner has displayed outstanding commitment through meeting attendance and availability, which translated into strong on-field performances with a very good match average of 4.02 out of 5 from the captains across his 10 matches in SCA competitions.

Mohit joined the Association in May 2019, was available for all 15 rounds of the 2019-20 season and attended five out of the six Ordinary General Meetings as well as the pre-season rules night. He has a great passion for cricket and umpiring. Captains rated his decisiveness, match management and communication highly, which is impressive from someone so new to officiating.

## Malcolm Gorham Scorers' Award

The winner of the Malcolm Gorham Scorers' Award for season 2019-20 was **Sarah Berman**.

The Malcolm Gorham Scorers' Award is named in honour of former international scorer and Western Suburbs District Cricket Club Life Member Malcolm Gorham; it recognises a scorer member of the Association for their excellence in scoring and dedication to their club.

Sarah joined the Association in December 2018 and was rated as exceptional by her club UTS North Sydney in the categories of enthusiasm, professionalism, neatness, competency and communication.

The club's nomination highlighted that Sarah has a hand in all aspects of the club, from managing social media, managing volunteers, driving club fundraisers and providing shrewd business analysis to keep the club running smoothly.

Sarah's keenness and enthusiasm are there for all to see, her colleagues have commented on her friendliness, welcoming nature and that she always has a smile on her face when dealing with match officials.

Christine Bennison and Sarah Berman

Her ability to multi-task by scoring both in the book and online whilst also posting social media updates is something that has to be seen to be believed. This year saw Sarah appointed to NSW State Challenge fixtures and a number of representative trial matches.

Sarah is truly deserving of this recognition on the back of an outstanding 2019-20 season.

## Country Umpire Representative Panel - Troy Penman

In season 1990-91, discussions took place between the President of New South Wales Cricket Umpires' Association, Dick French, and the Chairman of New South Wales Country Cricket Association, Brian Gainsford where it was determined to form a Country Umpire Representative Panel to officiate in country cricket representative programs.

The panel came into being in season 1991-92 and the five umpires on the inaugural panel were – Kevin Burke, Harry Honeysett, Kim Norris, Kevin Pye and Eric Rowsell.

There have been 53 members serve on the Country Umpire Representative Panel since its inception.

# SECTION 2 - ADMINISTRATION

## Membership - Bede Sajowitz

For a third consecutive year, with 138 new members, the Association has grown in size – this comes despite the cancellation of the April Ordinary General Meeting due to COVID-19 restrictions, which left 35 applications waiting for final approval by members.

Credit for the outstanding number of new members is owed to the training team, who volunteered their time to assist with the facilitation of fourteen Laws of Cricket courses and two scoring courses during the year. Laurie Borg and Darren Goodger once again made significant contributions to the winter training program, providing education and development to prospective umpires all over New South Wales. Since commencing as Education Officer, Ben Treloar has been instrumental in organising training and development for prospective umpires and current members, a vital element of recruiting new members and retaining current umpires.

Retention of members is a key focus for the Association, as it provides as it allows the Association to continue to grow and prosper. While we would like to keep all members year on year, we understand that there are a number of things that occur in members' lives that make it simply not possible for them to renew their membership. The increased pressures of busy lives, family and work commitments, retirement from umpiring, and opportunities to try new things have all contributed.

The overall increase in membership for the Association in 2019-20 was four - but would have been 39 had the April OGM gone ahead, which would have prevented the slight decrease in Ordinary and Scorer Members. A decrease in Principal Members saw an increase in Life Members, whilst there has been an increase in associations affiliating with NSWCUSA.

# ADMINISTRATION

We acknowledge Neil Findlay, Geoff Garland and Ian Wright for being bestowed with Life Membership and Ken Buckland, Allan Hollebrandse, Brett McMillan and Brian Walker for being elevated to Principal Membership.

It is with sadness and regret that this year, we note the passing of Rick Carr, Harold Crozier, Colin Gadd, Terry Heath, Russ Watman and Joe Wooding OAM. All contributed to the Association in a positive manner during their lifetimes and they are recognised in the obituaries.

Below is a breakdown of the membership categories within the Association:

Life Member	19	Full Member – Scorer	12	Junior Member	2
Principal Member	56	Ordinary Member	710	Honorary Member	2

## **Russ Watman - Aaron de Jager**

Russ was an icon in the small village of Burrawang and was a keen member of Burrawang Cricket Club before their merger with Robertson in 1972.

Following the merger he held many positions on our Committee and was instrumental in keeping our club afloat through difficult times in the 1970s and 1980s.

As a player, Russ was a watchful opening batsman and captained our 3rd Grade team to a Grand Final win over Mittagong RSL in 1982/83, scoring 48 in our victorious run chase.

I spoke to Russ a few weeks ago and he was obviously very proud of our achievements last summer, telling me he was looking forward to our Presentation Night again this year where he has been a regular fixture for as long as anyone can remember.

## **Joe Wooding OAM - Arthur Watson**

I first met Joe Wooding in 1985 when I was invited to attend a training seminar at Albury, where I actually was billeted with Joe and his wife Jill - our Association funds in those days were not as plentiful as they are today. That first meeting led to a very close relationship with Joe over the next 35 years. My wife Ann and I often stayed at Joe's on our trips to Albury.

Joe joined the NSWCUSA in 1982 and was elevated to Principal Membership in 2008, having retired from umpiring in 2005 have umpired 8 First Grade Grand Finals.

By way of background, Joe was born in Melbourne and became an Albury local at the age ten, going on to spend the remainder of his life in Albury. He was 82 years of age. In fact he passed away on his 82nd birthday.

Joe was somewhat of a misfit in the school education system and, after attending several different schools, he left school the week after he turned 14.

Following an electrical apprenticeship, Joe joined the Murray River County Council, and for many years was the Council's Electrical Inspector.

Despite Joe's lack of schooling he became an extremely learned man and a well-known and respected authority on the early history of the Albury Wodonga area. He spent many hours in the City Library and other establishments researching local history and other subjects.

Cricket was Joe's passion – a true lover of the game in every sense of the word. As a player he excelled as an all-rounder. He played for 29 seasons, captaining the Albury Border Cricket Association to Melbourne Country Week for six seasons. He was an Administrator and managed the Albury team to Melbourne Country Week on a further nine occasions.

He was an umpire – officiating in the Albury Border Cricket Association for 26 years. He was the inaugural Riverina Cricket Zone Representative for our Association from 1999 to 2005. Joe served as a ground curator and cared for his beloved grounds for many years.

He was also an author – his book, titled 150 Not Out traced the history of cricket in the Albury Wodonga area from 1858-2007.

Joe was a Life Member of seven organisations:

Albury and Border Cricket Association, East Albury Cricket Club, Cricket Albury Wodonga, Murray Border Cricket Umpires' Associations, Murray Cricket Council, Jindera Football Club Albury Wodonga & District Orchid Club

# ADMINISTRATION

**Joe Wooding OAM - Arthur Watson cont.**

In addition to his love of cricket Joe was an avid gardener, he received a Meritorious Service Award from the Orchid Society of NSW and always insisted Ann and I return to Sydney with one of his prized orchids.

In 2017 Joe was recognised for his outstanding contribution to local cricket with the Award of an Order of Australia Medal. Joe’s Funeral Service Sheet displays him proudly wearing his OAM Medal following his presentation at Government House. I recall talking to Joe sometime after him receiving the OAM and he said simply “What Medal?”, such was his humility.

Above all these awards and recognitions, Joe was a bloody good bloke – salt of the earth, a real country person and, a friend to all those who knew him.

Joe, my friend, may you Rest in Peace.

-----

May Rick, Harold, Colin, Terry, Russ and Joe rest in peace.

## Meetings - Bede Sajowitz

Ordinary General Meetings of the Association continued to be held at 7pm on the first Wednesday of each month between September and May, except for January where no meeting was scheduled.

Meetings were held at a variety of locations around Sydney, including the Bowlers' Club of NSW on York Street, in Sydney's CBD as well as the Stephen and Mark Waugh Pavilion at Bankstown Oval and Bankstown Sports Club.

The Annual General Meeting was once again held on the first Wednesday of July, with a Special General Meeting held just beforehand, to honour Ian Wright with Life Membership of the Association. An SGM was also held in October, on the evening of that month's OGM to honour both Neil Findlay and Geoff Garland with Life Membership.

The scheduled OGM for April was unfortunately cancelled due to government restrictions in light of the COVID-19 pandemic.

An average of 90 members attended the scheduled OGMs and the AGM, which was slightly up on the previous year, highlighting that the Association continues to grow as well as the positive spirit and dedication among members. The increase was extenuated by the cancellation of the April OGM, that usually takes place after the conclusion of the cricket season resulting in lower attendance.

The September and December OGMs were the highest attended meetings with 95 and 117 members in attendance respectively. The September OGM came between the Convention and the beginning of the season later in the month and is a marker that the season is not far away.

The December meeting once again saw the Board arrange food and drink, courtesy of Spitroast Catering and Bankstown District Cricket Club, providing members with the chance to catch up with each other ahead of the Christmas and New Year holiday period.

On special occasions throughout the season, the Board of Directors provide funds so that members can share in a couple of drinks in celebration of the achievements of fellow members, particularly on an evening after a Life Membership has been bestowed.

At the Annual General Meeting in July 2019 there were 103 members in attendance. No ballot was required at the AGM with Andrew Coates, Graham Chudleigh and Claire Polosak the only members to nominate for the three available positions as Board Directors.

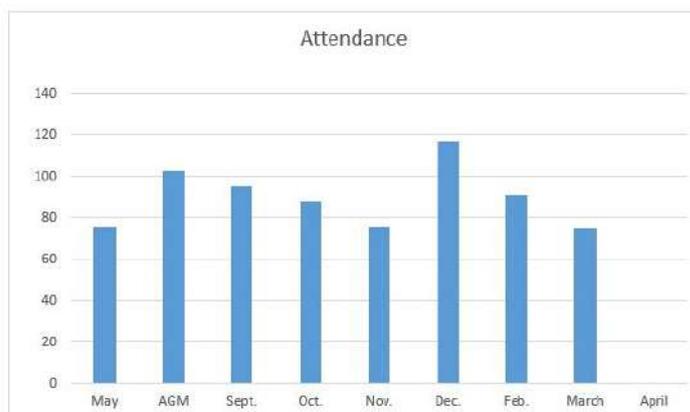

# ADMINISTRATION

There was only one nomination for the position of Honorary Treasurer and Laurie Borg was elected for the year 2019-20. Similarly, there was only one nomination for the role of Liaison Officer, Neil Findlay was elected for the year 2019-20.

In line with the Constitution, the Board of Directors appoint members from nominations received to serve on Committees and as Office-Bearers. The Board appointed five members to each of the Examination, Scorer and Social Committees. The Board also appointed members to the Office-Bearer positions of Social Appointments Officer, Merchandise Officer, Public Relations Officer and the Secretary (Training). Confirmation of these appointments were given to members who attended the September Ordinary Meeting.

At each Ordinary General Meeting, the Association delivers an agenda which provides information on fellow NSWCUA members and other Association matters. Information presented includes representative appointments, material of a technical nature as well as various educational and development sessions run by a variety of members and special guests. Financial, Administrative and Committee reports are also given at each meeting. We strongly urge all those members that can, to attend meetings so they can also receive the valuable information that can be gained from attending. Members who reside in regional areas are always welcome to attend meetings during the year, they will always be welcomed by fellow members.

The pre-season SCA rules night is a vital meeting to ensure those who are umpiring in Men's Premier Cricket competition are well prepared. Thanks to Berend du Plessis and Troy Penman who facilitated an exceptional presentation to fellow members on the relevant Laws and Playing Conditions for the upcoming season. 141 members attended the rules night - slightly better attended than 2018-19, further signifying the Association's continued growth.

## Fees - Bede Sajowitz

At the April 2019 Ordinary General Meeting, on behalf of the Board of Directors, Association Treasurer Laurie Borg, recommended to members in attendance that the various categories of individual membership subscriptions remain the same for the 2019-20 season, recommending a decrease in the subscription fee for Affiliated Associations. Members in attendance approved the recommendations of the Treasurer.

Members were reminded that the subscriptions set for the 2019-20 season were due and payable on or before 31 August 2019. Affiliated Associations who are incorporated may wish to note that their subscriptions, payable by 30 September 2019, include the cost of the Public Liability Insurance as required by the NSW Department of Fair Trading. Affiliated Associations that are not financial, by the start of their season, are not protected for Public Liability Insurance.

Members and Affiliated Associations are also reminded that if subscriptions are not paid by the due date they will be considered non-financial and their names will be automatically removed from the Registers of the Association. This can impact on not only umpiring appointments, but also insurance cover.

Reinstatement may be granted by the Board on receipt of a written application for reinstatement within one year of becoming non-financial and payment of subscription for the previous season along with the upcoming season.

The subscriptions due, including the GST component, are shown below:

Principal / Scorer / Junior / Full Scorer Members \$27.50  
Ordinary / Full Umpire Members \$55  
Affiliated Associations \$20

## Functions - Bede Sajowitz

The Annual Convention once again served as the traditional curtain-raiser to the season and this year returned to Bankstown Sports Club with 197 members in attendance on the weekend of 24-25 August. As always, the club proved to be a high-standard venue, with facilities, catering and staff all meeting our every need.

Attendees were treated to an excellent program developed by Claire Polosak with extremely positive feedback received from members after the weekend. Guest speakers included New South Wales Blues and Sydney University opening batsman Nick Larkin and former athletics coach Chris Nunn, with Alan Mantle from Enhance Mind Performance available for individual sessions throughout the Convention.

A number of NSWCUSA members also facilitated sessions across the weekend, including Greg Davidson, Berend du Plessis, Simon Lightbody, Troy Penman, Bede Sajowitz, Simon Taufel, Ben Treloar, Tony Wilds and Paul Wilson.

For the first time, there were a variety of breakout sessions available to members so they could choose to attend a session that would be most beneficial for them. These sessions were facilitated by Laurie Borg, Darren Goodger, NSWCUSA members of the Cricket Australia National Panel, the Premier Cricket Observer team and Cricket NSW Sports Psychologist Gerard Faure-Brac.

The Association's Annual Dinner was scheduled to be held at Bankstown Sports Club on Saturday 18 April 2020, but was unfortunately unable to proceed due to the coronavirus restrictions on large gatherings.

In lieu of the dinner, awards and significant milestones were announced digitally through email, the Association website and social media channels.

Finally, thank you to Sharad Patel and the Social Committee for their hard work throughout the year with Ordinary General Meeting raffles. Under Sharad's leadership the raffles and the Social Committee have continued to be very productive and provide a change of pace at OGMs, often providing some interesting prizes to the amusement of all. These raffles also serve to assist with funding for the training and development of all members.

## Communications - Bede Sajowitz

Throughout 2019-20, NSWCUA's online presence continued to grow, which saw more people than ever before exposed to the achievements of the Association's members and the expansive training program.

NSWCUSA's digital content serves a number of purposes, with the significant focus being to promote and publicise the milestones and achievements of the members. Through the online channels, we also engage with potential members through advertising training courses and publish umpire appointments to Premier Cricket and Cricket Australia competitions.

Since the last Annual Report, Association content on Twitter has been viewed by close to 310,000 people, with many more engaged through other organisations and individuals sharing our content through their channels. The Association account now has 275 followers who have subscribed to our account and see all NSWCUA content.

Alongside the Association's Twitter presence, the NSWCUA Facebook page has continued to grow. At the time of writing, the page has 2,467 people who have 'liked' the page. 2019-20 saw almost 220,000 people exposed to Association content through Facebook.

The NSWCUA website continues to serve members and the general public as a resource for providing information about the Association and umpiring both in New South Wales and in general. Over the course of the season, the website has served as a primary outlet for publishing news, appointments and details of upcoming training courses, both metropolitan and regional.

The website is also maintained with current contacts details for Management as well as detail on the Board and Association sponsors. There is also an archive of Annual Reports and In Black and White.

There is a 'members-only' section of the website maintained for the benefit of members, available upon logging in. The more in-depth material includes the merchandise store, an extra method by which to obtain clothing and other items, such as membership renewal, with only a few clicks.

We are grateful for the collaboration and work of Cricket NSW External Communications and Media department staff, Tom Federico and David Gavin, led by Malcom Conn, who have been invaluable in the increased exposure of NSWCUA across the mediascape. With their assistance, and through the use of Cricket NSW social media channels and website, the Association has been viewed by an even wider audience throughout the cricket community.

# SECTION 3 - COMMITTEES AND OFFICER-BEARERS

## Exam Committee - Andrew Coates

It is with great pleasure I provide my report as Chair of the Examination Committee.

2019-20 was a season of consolidation and some experimentation. In addition to continuing members Kevin Battishill, Sathish Kumar and Berend du Plessis, the committee welcomed returning member Glen Stubbings and new Ex-officio Board Director, Geoff Garland. These dedicated and knowledgeable volunteers were tireless in their efforts to further the Committee's aims around education of the membership. I also extend my thanks to the other members of the Board for their ongoing guidance and support.

### **This Season**

This year the committee focused on three major areas:

- Member education at Ordinary General Meetings
- Contributions to the Laws of Cricket questions for the wider membership
- Assistance with the supervision and marking of exams conducted by the Association.

### **Ongoing Education**

Members of the committee presented content at Ordinary General Meetings throughout the season. In September, I presented a session on the 2019 changes to the Laws, a session which was also presented by Bede Sajowitz at the Annual Convention. In October and November, Sathish Kumar and Glen Stubbings presented Playing Conditions questions and led discussion on the answers.

December's Christmas OGM saw a change of pace with an online quiz on some of the Laws using the Kahoot! Platform.

# COMMITTEES AND OFFICE-BEARERS

In February and March, Sathish Kumar and Kevin Battishill presented Playing Conditions questions and their answers. Each of these sessions was very well received, often sparking lively discussion amongst the members present at the meeting.

For the March meeting, the questions were circulated to members prior to the meeting allowing some time for reflection. This was well received and is a practice the committee intends to continue. While the April and May OGMs were cancelled, the committee expects that we will resume this component of our work as soon as meetings resume.

My thanks are extended to each of the presenters for their diligence and dedication in preparing, reviewing and presenting quality material, and to the Association's Management Team for their input and logistical support.

## **Laws of Cricket Questions**

The Association's newly created position of Education Officer has significant overlap with the work of the Committee, and I have been privileged to work with Ben Treloar since his appointment.

Throughout the season, members of the Committee prepared a number of questions on the Laws of Cricket which Ben has used as part of his pool of questions he sends to members on the Thursday following each OGM. Ben's answers to the questions each week are consistently thorough and educational, and I commend him on this excellent initiative.

## **Exam Supervision and Marking**

Throughout the season, the Association has conducted training courses and exams. I acknowledge and appreciate Kevin Battishill and Sathish Kumar's contribution to the supervising and marking of some of these exams.

## **Next Season**

The Committee feels that the three themes have been successful and meaningful and has resolved to continue using them into next season. We will continue to present at monthly OGMs on both Laws of Cricket and SCA Playing Conditions. Laws of Cricket questions will be an ongoing exercise during season 2020-21, with the committee working closely with the Association's Education Officer to contribute questions to the pool. Exam supervision and marking will continue to be an ongoing activity undertaken by the Committee.

Thanks once again to the members of the Committee for their excellent work this season. Thanks also to the Board for their support and to Darren Goodger for his counsel and assistance.

# COMMITTEES AND OFFICE-BEARERS

## Scorers' Committee - Marilyn Fowler

As I reflect on the season just ended, I firstly wish to thank committee members Christine Bennison, Kay Wilcoxon, Sue Woodhouse and Ian Wright for their ongoing dedication and commitment to representing the scorer members of our Association. Thanks also to our outgoing Ex-Officio Director, Bill Hendricks, who we were sad to see go.

To Darren, Troy, Bede, Claire (who we also welcomed as our new Ex-Officio Director this season) and the Board I thank you all sincerely for your support and assistance throughout the season. We are particularly grateful for the purchase of a new laptop for the exclusive use of the scorers to enable us to facilitate our training courses more efficiently and effectively. Whilst we were only responsible for the facilitation of a few courses this year (with others being cancelled), we had a very positive response recruitment-wise from these courses and I thank our devoted trainers for their professional delivery of the training courses and for their willingness to do so. Thanks also to my husband Nick and my children, Graeme and Rebecca, for their support of my roles within the Association.

Our pre-season started perfectly with the Annual Convention at Bankstown where a number of our scorer members met for the weekend to brush up on Laws and brush away the cobwebs while socialising with fellow scorers and umpires. I am always grateful to our wonderful guest presenters who make our sessions interesting, educational and always a bit of fun too. This year Greg Davidson, Alan Mantle, Troy Penman, Ben Treloar and Paul Wilson presented to our scorers. The program for our 2020 Convention in Tamworth is already set and ready to go - so now we just have to keep our fingers crossed that we can go ahead by then ... if not, watch out for a bigger and better one in 2021!

The Committee has some projects in the pipeline which we will continue to work on over the non-playing season and which will hopefully come to fruition over the coming months. There are always things going on in the background in relation to the development of scorers through training resources and other information and we are always happy to hear from members regarding anything you wish to raise with the Committee. Please feel welcome to email me on [nswscorers@gmail.com](mailto:nwscorers@gmail.com) with any ideas or suggestions.

On behalf of the Scorers' Committee I congratulate all of our scorer members who officiated in representative fixtures at all levels this year. You are all valued members of the representative panels and continue to represent our Association with diligence. The Scorers' Committee, in conjunction with the Representative Scorers Selection Committee, plan to conduct a short (by invitation) training course for up and coming scorers early next season to assist with their development through the representative scoring pathway.

# COMMITTEES AND OFFICE-BEARERS

At this point it would be remiss of me to not mention the retirement of Christine Bennison from scoring. Christine amassed an amazing 33 years as First Grade scorer with her beloved Parramatta District Cricket Club and, at the time of her retirement, is our most senior and experienced representative scorer having officiated in 15 Tests and many other ODI and First Class fixtures. Christine will be sadly missed by her scoring friends but we hope she will stay involved in some capacity while still enjoying her retirement. Congratulations on an exceptional scoring career, Christine ... you should be very proud of your achievements!

I was very happy to hear that the winner of the Malcolm Gorham Award this year was UTS North Sydney First Grade Scorer, Sarah Berman. Sarah is a friendly and popular scorer amongst her scoring peers who has thrown herself wholly into the life of her club and whose competence as a scorer has also seen her starting out on the representative scoring pathway. I sincerely congratulate Sarah on behalf of the Committee as she is such a deserving winner of this award.

Unfortunately the scorers' luncheon had to be cancelled for 2020 but we are already looking at venues for next year and look forward to catching up with our scorer colleagues as soon as we can.

The 2019-20 season will always feel like unfinished business to many of us as we were rather unceremoniously catapulted into different ways of living by the global COVID-19 pandemic.

My 13-year-old son plays junior cricket and between days lost for extreme heat, smoke, rain, floods and then the coronavirus, about a third of the season was lost giving his team no chance to play their finals either. To say it was a disappointing end to the season for everyone is an understatement ... but let's look at the positives, at least here in Australia we were able to enjoy the majority of our cricket season (albeit affected to varying degrees due to the influence of Mother Nature depending on where you live ... which was lots in the Hawkesbury!) and we can hold on to the hope that we will be able to partake in cricket next season as we negotiate through the challenges now facing us.

With my counsellor's hat on I can assure you that it is normal to be feeling anxious during these uncertain times and it is normal to be feeling a sense of grief and loss as we traverse our new 'normal' ... some of us have lost jobs, some of us have lost loved ones and all of us have lost the basic freedoms of our everyday lives. Our lives as we knew them are now gone as the world has set the reset button and for this, we grieve ... but we have much to be grateful for and these are the things we need to focus on during these challenging times.

# COMMITTEES AND OFFICE-BEARERS

A friend recently sent me a picture which asked, “how are you going to come out of quarantine?”

There are some things we can still control, so let’s all make sure we’re summer ready for a great cricket season ahead!

Stay safe, stay well and I look forward to seeing you soon.

## Social Committee - Sharad Patel

The Social Committee for 2019-20 consisted of Bill Glacken, Michael Meehan, Kedar Oza and Vivek Solanki. I acknowledge their efforts in organising and conducting the raffles. I also acknowledge Phanee Botta for enthusiastically assisting wherever possible.

The Social Committee was able to organise seven raffles at Ordinary General Meetings this season, meaning the Association has been able to raise proceeds from raffles totalling \$816.

Due to the cancellation of the Annual Dinner the raffle that was scheduled to be drawn on 18 April 2020 was unfortunately also cancelled. Subsequently members who purchased raffle tickets were refunded.

We thank members for their active participation and support of the Social Committee throughout the season.

## Merchandise - John Evans

Again the season commenced with the Association's Annual Convention, conducted at the lovely Bankstown Sports Club. I arranged for the van to arrive at the Club mid-afternoon on the Friday and was met by my two helpers - Bill Howard and Ray Marshall.

With these two stalwarts and the assistance of the club's back-room staff at the loading dock the transition into the merchandise room was seamless. The room was set up and ready to trade within a couple of hours.

I offer my thanks to Troy Penman and Bede Sajowitz for enabling us to utilise their EFTPOS terminal, it certainly made life easier with credit card transactions.

We have experienced difficulty with stock over the past six months or so with our supplier experiencing difficulties. I apologise to the members who endured a long wait for orders, but it should be rectified shortly.

To Brett McMillan, I offer my sincere thanks for conducting the stocktake, as usual it went off without any trouble. To the Board I offer my thanks for their support throughout the season, it is very much appreciated.

To Bede Sajowitz, I offer my heartfelt thanks for his professionalism shown throughout the season, it has been trying to say the least, however Bede, as usual, handled all this with aplomb.

To Troy Penman and before him Darren Goodger, I offer my thanks for their support and friendship throughout the season.

To Darren and the Board, I offer my thanks for the invite to attend the Sydney Cricket Club function at the SCG; Ray Marshall, Bill Howard and I enjoyed ourselves immensely. Brian Lara was the guest speaker and was brilliant to listen to, he certainly upholds the game's traditions.

To my wife Rosemary, I thank you for your patience and assistance, you are very much appreciated.

## Social Appointments - Ian Wright

2019-20 has again been a busy season with many requests for umpires to be provided outside of the usual Premier, Shires and Masters competitions - for pre-season trial matches, social games, school cricket and other matches.

In excess of 130 umpire appointments were made during the season. Generally, matches were either of the T20 or 50-over formats.

The season began with a large number of appointments to pre-season practice matches for Premier and Shires clubs. Appointments were made for each of these games, however a week of wet weather before the weekend prior to the season commencing prevented any practice games taking place on what is the busiest weekend for social match appointments. All umpires seeking a pre-season match were allocated to at least one match.

Umpires were provided for the Rawson Cup, the Sydney Uni Colleges' Carnival, Primary Club matches, SCG XI matches and the Corporate Games carnivals. There were also several AW Green Shield trial matches to which umpires were appointed.

There were no major school carnivals held in Sydney for which I was requested to supply umpires. Further, Cricket NSW took on the responsibility of appointing umpires for all the inter-association matches in the Youth Championships, following the employment of Stephen Blomfield as the Umpires' Appointments Officer.

I was regularly asked to find umpires for vacancies for GPS cricket and for the Sydney Cricket League T20 competition in the Fairfield area.

It is usually difficult to find umpires to fulfil requests for umpires on Saturdays, as many of our members are already committed to Premier or Shires matches. Also often umpires who are on the standby list are called up at the last minute to fill Premier Cricket or Shires games.

My thanks to Troy Penman who advised of umpires not umpiring on Saturdays. I also appreciated the help of Dr. John Colwell, who assisted with advising details of umpires not already appointed to Women's matches.

Thanks also to Darren Goodger and Troy Penman for their assistance in advising details of matches seeking umpires. Darren and Troy also co-ordinated several appointments when there was short notice of the game given (particularly when I was busy with scoring duties).

Prior to the abrupt end to the season due to the coronavirus outbreak, umpires were supplied for several local Association semi-final matches.

# COMMITTEES AND OFFICE-BEARERS

I encourage any member to volunteer for social match appointments, particularly our newer members and those that are not regularly umpiring in the Premier or Shires competitions. From time to time I am able to appoint umpires to officiate on prestigious grounds including the SCG, Bradman Oval, the Sydney Showground Stadium and Blacktown International Sportspark.

Umpires were regularly contacted via email, providing a very convenient means of communication to notify of games, and to accept appointments. I would encourage all umpires to establish an email address and any members who are not on my email list, please send me your details and I will add you.

Any member who is no longer umpiring or does not wish to be offered games other than their Premier or Shires appointments, please send me an email to request your removal from my list.

To the organisers of matches, please allow at least a few days, preferably a week, to organise the appointment of umpires. Whilst we were usually able to organise umpires on short notice, the more time available, the better chance of finding someone for your matches.

Sufficient notice of matches also helps ensure that umpires of an appropriate standard are appointed. If possible, it is preferred that payment be made on the day of the match.

The recommended fees for social matches was \$145 this season, in line with match payments for most SCA fixtures.

My thanks to all umpires and scorers who accepted appointments to the various games throughout the season.

## Liaison Officer - Neil Findlay

Currently, the New South Wales Cricket Umpires' and Scorers' Association has a total of forty-five Affiliated Associations made up of eighteen Metropolitan Associations and twenty-seven Country Associations. While the larger affiliates are able to appoint two umpires to each match, the smaller affiliates could only appoint one umpire to most matches. It is pleasing that eight Affiliates have a 100% NSWCUA membership, but overall, the average NSWCUA membership is just 48%.

Many of the affiliates are fortunate to have members who have given many years of service both on the field and as office bearers. Deserving of recognition are:

The following umpires who have achieved outstanding milestones –

800 matches: John Oliver (South Coast District CUA)

450 matches: Chris Adams (Illawarra CUA)

400 matches: Leon Erich (Tamworth District CUA), Simon Hood (Tamworth District CUA), Paul Kitson (South Coast District CUA), Dan O'Connor (Tamworth District CUA), Roger Ridgway (Georges River-St George CUL), Allan Smith (Georges River-St George CUL), Wayne Solomons (Tamworth District CUA) and John Thompson (Tamworth District CUA)

350 matches: Steve Saye (Illawarra CUA)

300 matches: Rob Pye (North Coast CUA)

Lawrie Daly (Secretary, Sutherland Shire CUA), Scott Greenwood (Secretary, South Coast District CUA), Peter McDonald (President, Blacktown City and District CUA) and Greg Taylor (Chairman, Mid-North Coast CUSA) all of whom stepped down from their respective roles at the beginning of the season.

Peter Done (Shoalhaven District CUA), Barry Moir (Illawarra CUA), Ray Trindall (Illawarra CUA) and Dave Waugh (Bankstown District CUA) who have each been rewarded with Life Membership of their respective Associations.

Once again, many of the affiliates have been committed to training and development and strongly supported the personal development and Laws of Cricket courses provided by NSWCUA. Such courses were conducted across the State at venues as widely apart as Camden, Central Coast, Cootamundra, Dubbo, Kempsey, Lismore, Maitland, Merimbula, Newcastle, Orange, Parramatta, Port Macquarie, Tamworth, Wagga Wagga and Wollongong.

# COMMITTEES AND OFFICE-BEARERS

The Executive and Office-Bearers of the Affiliated Associations play an important role in maintaining and developing umpiring in both metropolitan and regional areas and their efforts should be acknowledged. Also to be recognised are the Zone Umpire Representatives who coordinate umpiring in Country New South Wales on behalf of Country Cricket NSW and NSWCUA, organising training courses, making appointments to various Zone competitions and identifying candidates for further Country pathways.

The Zone Umpire Representatives for 2019-20 were – Gary Crombie (Central Northern), Paul Dilley APM (North Coastal), Neil Findlay (Greater Illawarra), Graeme Glazebrook (Western), David Grainger (Central Coast), Pat Kerin OAM (Riverina) and Kim Norris (Newcastle).

David Grainger replaced long serving Don Maisey who stepped down as Central Coast Zone Umpire Representative. Don made a significant contribution to umpiring in the Central Coast Zone and he is to be thanked for his efforts. Don was also a member of the Country Umpire Representative Panel for eight years. There is currently no Zone Umpire Representative for ACT-Southern Districts.

NSWCUSA was represented at the majority of the Annual General Meetings of the Affiliated Associations, with Board Directors and Zone Umpire Representatives attending a total of twenty-six AGMs. These visits offer an important opportunity for the direct sharing of information and concerns between the Affiliates and the Board representatives.

Principal Membership of the NSWCUA was awarded to two members of Affiliated Associations at the NSWCUA Annual General Meeting. Congratulations are extended to Alan Hollebrandse (Northern Inland CUA) and Brian Walker (Wagga Wagga CUA) on their receiving this well-deserved recognition. Both have been members of NSWCUA for more than 15 years and have made significant contributions to their respective Associations both as umpires and as administrators.

The NSWCUA Annual Convention held at Bankstown Sports Club was again well attended by members of the affiliates. As usual, an outstanding training and development program was presented and participants were able to enjoy the warm camaraderie of their fellow NSWCUA members.

Finally, the EF Wykes OAM Affiliated Association Medal was awarded to David Cullen (Illawarra CUA) for his outstanding contributions to his local Association both on and off the field; while the Kevin Pye Medal was awarded to Graeme Glazebrook (Mitchell CUA) for being the Country Umpire of the Year. Graeme won this award for a record fifth consecutive time.

# COMMITTEES AND OFFICE-BEARERS

Unfortunately, because of the cancellation of the NSWCUA Presentation Dinner due to COVID-19 pandemic, it was not possible for David and Graeme to be presented with their awards and to be formally recognised by their peers.

The New South Wales Cricket Umpires' and Scorers' Association values its relationship with the Affiliated Associations and looks forward to maintaining a close connection in the coming season.

# SECTION 4 - EDUCATION AND DEVELOPMENT

## Training - Ben Treloar

It was a huge 2019-20 season for the NSWCUA training team as it continued to deliver courses on the 2019 Edition of the Laws of Cricket and professional development workshops around the State. Our team continues to excel in the training and development environment.

The following regional centres were visited for umpire training and development courses:

Central Coast, Cootamundra, Dubbo, Far North Coast, Illawarra, Kempsey, Laurieton, Maitland, Merimbula, Newcastle, Orange, Tamworth and Wagga Wagga.

This was an outstanding response to the request for training from our Affiliated Associations.

The Association extends its thanks to all members who made themselves available, giving their time and sharing experience facilitating courses around the State. Thanks to all the local volunteers for making necessary arrangements for the courses conducted at their respective venues. This is a significant task, both physically and administratively. Trainers are always welcomed with a smile and it is great to see you all. The Association is fortunate to have some very talented educators in our ranks as part of the training team, along with a group of loyal local volunteers to make all our education opportunities run as smoothly as they can.

Trainers prepare to the best of their ability to ensure the courses were delivered in an engaging and insightful fashion.

# EDUCATION AND DEVELOPMENT

The standard of the courses being delivered is very high. Those in attendance really appreciated your efforts, clearly validated by the energy in the room and number of emails and phone calls received by the NSWCUSA Management asking to have their thanks passed onto those who presented. Full credit must go to the trainers who continue to hone and develop their educating skills with each opportunity for the benefit of others.

The local volunteers are acknowledged and thanked. As mentioned, your role is significant. This shows in the numbers of participants who attended the courses throughout the State and the quality of the venues where we were hosted.

High attendance figures were seen across the State at both regional and metropolitan courses. This is supported by the 195 participants receiving NSWCUSA accreditation since June, all having passed the Association's Laws of Cricket exam. To all the trainers and volunteers, this cannot happen without you. Thank you. This is an achievement as an Association we can all be proud of.

Metropolitan umpire training and development courses were held at Bankstown, Camden, Nepean and Parramatta.

In addition to umpire training courses, three new umpire workshops were held – one at the Association's Annual Convention, with two further sessions hosted at Cricket NSW's new offices at Sydney Olympic Park. The aim was to support those who are new to umpiring and assist them to navigate through their first season of umpiring. The program's content is continually updated each year and we look forward to working with our members who are commencing their umpiring journey with us in season 2020-21.

A new initiative this year has seen the dissemination of monthly law questions as a learning resource for the benefit of members and affiliates. Thanks are offered to the members of the Examination Committee, led by chair Andrew Coates, who provide the foundation of the questions each month.

They are a quality resource and are always thought-provoking. They are shared the day following each Ordinary General Meeting with the answers following a week later. This is an initiative we are looking forward to continuing into season 2020-21 and beyond.

A vote of thanks is offered to the following for their support of NSWCUSA training:

The NSWCUSA Board of Directors for contributing positively and materially to the Association's education and development initiatives.

# EDUCATION AND DEVELOPMENT

Cricket Australia for the provision of the Umpire Service Grant which contributes significantly to training, education and development programs.

Claire Polosak for her excellent work in the female engagement and community cricket space. The results are there for all to see.

The Country Zone Representatives who do a fantastic job promoting umpiring and for their organisation of the various courses held in the past year. They also advance the benefits of being a member of NSWCUSA.

Affiliated Associations which hosted training and development courses during the year.

All members of the External Communications Team at Cricket NSW for publicising umpiring through the Cricket NSW webpage and social media platforms. We appreciate the commitment to match officials displayed by Malcolm Conn, Tom Federico and David Gavin.

Bede Sajowitz, Claire Polosak, Darren Goodger and Troy Penman, all leaders in their own right and whose support, assistance and guidance are greatly appreciated, and have made the transition into the Education Officer role a smooth one.

The Examination Committee, lead by Andrew Coates, who supervise the metropolitan exams and for their valuable contributions presenting at the Association's Ordinary General Meetings.

Merilyn Fowler who continues to be a world leader in developing scorer education programs and training materials.

All members who have acted as mentors for others during the season. Sharing experience to benefit others can lead to growth and be a source of personal satisfaction.

The NSW Premier Cricket Umpire Observer Panel of Laurie Borg, Errol Cranney, Graham Chudleigh, Bob Davis, Rupert Matthews and Graham Reed – their commitment to the role has been appreciated. They are making a positive contribution to the development of umpires through their considered and constructive feedback and reports. They are an integral part of the continual improvement process for the Association.

To Berend du Plessis and Troy Penman for facilitating the NSW Premier Cricket Rules Night at Bankstown Sports Club. Both did an excellent job.

Darren Foster for all of his work in preparing the Finals Series Meeting that would have taken place in the Cricket NSW office on March 18.

# EDUCATION AND DEVELOPMENT

Members of the Association who assisted at different times throughout the season, there are too many to list here, but to those who served and supported the Association in the education and development space, a vote of sincere thanks is offered. Where would we be without our volunteers?

Cricket NSW General Manager – Cricket Performance, David Moore, for his inclusiveness, interest in and support of NSWCUSA training initiatives.

All Association members understand and appreciate that knowing the Laws and playing conditions is our core business. They must be respected at all times and not taken for granted. We are here for the players and the game of cricket. You all provide a valuable service and we are proud of the way you take ownership and embrace the responsibility. Continue to apply them with their intended application and with what the game expects. Your commitment to the game of cricket and the players is unwavering. Let's all aim to be students of the game.

In unprecedented times, we saw the 2019-20 season come to a premature end due to spread of COVID-19. It is likely that government restrictions will prevent the education and development team from conducting training courses in their usual format through the winter months and possibly into season 2020-21. The challenge will be to create and develop an online offering of training courses for those wishing to become an umpire and member of NSWCUSA. We are looking at this challenge and see it as an opportunity to build the Association's education and development resources for many years to come. Through the team's research, work has commenced, and we are encouraged as to what will be available moving forward into the new season.

Thank you to all for supporting the Association's training, education and development initiatives during 2019-20. May all members stay safe, embrace the challenges of the current climate and attempt to turn them into opportunities. We all hope the fast approaching 2020-21 season will be upon us soon, full of training, education and development opportunities and, most of all, plenty of cricket!

## Female Engagement/Umpire Educator - Claire Polosak

### **Female Umpire Training Opportunities**

What is turning in to an annual pre-season event is the Female Umpire Training Day. This season it was held on Sunday 15 September. We had eight female umpires of varying experience attend - some in their first season and others who have been umpiring for a couple of seasons. We were fortunate to have Greg Davidson present on ground, weather and light and how he manages different types of pitches. Alan Mantle was also present and spent time with each umpire individually. There was also the opportunity for umpires to spend time in the nets.

In December, the mid-season development session was a night with Belinda Sharpe, who is a rugby league referee, the first female to be appointed to First Grade. Belinda was very gracious with her time and spoke about her preparation, dealing with pressure and managing different types of players.

The end of season development sessions were focused on individuals and their own self-assessments, looking forward to the non playing season to ensure everyone can hit the ground running for the 2020-21 season.

### **NSW Government and ICC T20 2020 Legacy Fund**

Last year NSWCUA was a recipient of the NSW Government funding through the ICC T20 2020 Legacy Fund program, which has key objectives of:

- Improving the quality and/or quantity of cricket facilities in NSW.

- Improving female participation pathways for players, officials and coaches through the implementation of new or enhanced programs.

- Ensuring that regional NSW locations meet requirements to host elite state and national level events.

NSWCUSA submitted an application under the second key objective, aiming to provide further development opportunities for female umpires in NSW. The program has two aspects; an individual scholarship program as well as funding for group development activities. For 2019, the individual scholarships were awarded to Sue Gregory, Margaret Marshall and Elizabeth O'Dwyer. Funding was used for a variety of activities designed to assist these umpires with their development. Examples of these activities include communication courses, subsidising gym membership and also sessions with a Sport Psychologist.

## Female Umpire Appointments

2019-20 saw a total of 286 appointments filled by females around NSW, which were filled by 21 different females. There was a 12% increase on appointments filled by females in SCA Men’s and Women’s competitions. A breakdown of appointments, with a comparison to the 2018-19 season, can be seen below:

Competition	2018-19 Appts.	2019-20 Appts.	YOY % change
SCA Men’s	57	72	26%
SCA Women’s	79	80	1%
CNSW Pathway	54	48	-11%
Affiliates	18	65	261%
Youth Champs	NA	21	NA
Total SCA	136	152	12%
<b>Total</b>	<b>208</b>	<b>286</b>	<b>38%</b>

Appointments filled in affiliated competitions include the Camden District Cricket Association, Central Coast Cricket Association, Tamworth District Cricket Association and Shoalhaven District Cricket Association. Thank you to all those that were involved in the appointing of females to these competitions. A new competition this year was the Cricket NSW Youth Championships – Appointments Officer Stephen Blomfield was very supportive of having females, particularly lesser experienced female umpires, involved and providing them with supportive partners to assist their development. Troy Penman, Dr. John Colwell and Darren Goodger have also been paramount in providing opportunities for female umpires during the season.

In comparison to other states, female umpiring in New South Wales is in a strong position. The numbers are such that 50% of all female umpires accredited with Cricket Australia come from NSW - an increase from 2018-19 when 45% of female umpires in Australia were from NSW.

Erica Looyen was appointed to a Senior Grand Final in the Camden District Cricket Association.

Diana Venter made her Men's Premier Cricket First Grade debut in Round 14 at Raby Oval with Simon Lightbody.

The U13 Female Country Championships saw four female umpires appointed: Margaret Marshall, Lauren McGill, Elizabeth O'Dwyer and Manjinder Sandhu.

## **International Female Umpire Teleconference**

Initiated by the request of a female umpire from NSW, on Tuesday 21 April, a teleconference was held over Zoom with the female Match Officials from the ICC T20 Women's World Cup held in Australia.

All five female umpires as well as the female match referee made themselves available. There were 35 females on the call coming from Australia, England, India, New Zealand, South Africa and the West Indies. The session went for two hours and was held as a panel discussion, with question and answers encompassing a whole range of umpiring issues. Thank you to all participated in the session enabling it to go as smoothly and productively as it did.

## Community Officiating Accreditation

During 2019-20 there were a total of 21 Community Officiating workshops held across NSW. Ten of these were in metropolitan areas, with the other 11 held in regional areas. There were a total of 332 participants completing the Cricket Australia Community Accreditation.

Metropolitan		Regional

CNSW- SOP	15	Tuncurry	11
U18 Metro	13	Tweed	11
<b>Total</b>	<b>178</b>	<b>Total</b>	<b>154</b>

For the first time, workshops were also facilitated with students in the Cricket Program at Endeavour Sports High School and the NSW Metropolitan team prior to the Cricket Australia U18 Female National Championships. These were well received by participants; reports were that they all increased their understanding of the Laws of Cricket.

There must be a thank you to the CNSW Community Cricket Department who are always happy to assist with advertising and finding suitable locations in regional areas for these workshops to be held, in particular- Samantha Devlin, Matt Ellis, Michael Ho, Kate Jackson, Craig McLean, Luke Miner, Julie Stafford, Matt Tabernor and others without whom these workshops would not have been possible.

At the July 2019 and February 2020 NSWCUA Laws course approximately 28% and 20% of participants, respectively, had also completed the Cricket Australia Community Accreditation. Participants completing both courses have a well-rounded understanding of umpiring, as the NSWCUA course is solely theoretical based on the Laws, whilst the Community Officiating Accreditation includes practical elements such as fieldcraft, communication and concentration. By completing both courses, participants are hopefully more prepared to take the field.

## Annual Convention - Claire Polosak

The Annual Convention this year was held at the Bankstown Sports Club, on the weekend of 24-25 August. As always, the Bankstown Sports Club staff were very accommodating to ensure the weekend was a success.

Breakdown of the sessions from the Convention:

Bill Massingham opened the convention with his usual enthusiasm and vigour.

Bede Sajowitz lead a comprehensive discussion on the law changes that were coming into effect for the 2019-20 season, the Second Edition of the 2017 Code.

Berend du Plessis took members through a series of Laws questions.

Nick Larkin, NSW Blues opening batsman, shared his opinion on what makes a good umpire.

Greg Davidson shared his top six tips for effective match management.

After lunch on the first day there were a number of breakout sessions, providing members with the option of:

- Decision making processes, led by Darren Goodger

- A Q&A session with NSWCUA members on the Cricket Australia National Panel

- Umpiring on your own, led by Laurie Borg

- New umpire development led by our observers

- There was also a group of targeted umpires who had a session with the CNSW Sports Psychologist, Gerard Faure-Brac

Simon Lightbody shared his experience of dealing and managing with setbacks.

Troy Penman spoke about what we can learn from officials from other sports.

Paul Wilson also shared his experience from the Men's Cricket World Cup held in England in July 2019.

Ben Treloar led discussion around a number of 'What if...' scenarios.

Chris Nunn OAM presented on different types of thinking preferences.

Tony Wilds led some group discussion around different match scenarios that are likely to happen during play.

Life Member Simon Taufel facilitated the last session of the convention, detailing different scenarios, and led discussion around the importance of watching the right play.

Chairman Mark Hughes then closed the convention, wishing all members a safe trip home and a successful season.

This year we used the expertise of Alan Mantle in a different way. Members had the opportunity to 'book' ten minutes with him, where he was able to provide an individualised service to members. Feedback was positive from those who spent time with Alan.

# EDUCATION AND DEVELOPMENT

The weekend was attended by 197 members, who were also treated to a meal at the Stephen and Mark Waugh Pavilion at Bankstown Oval, with as always, superb hospitality from Brian Freedman. The convention is a fantastic time to come together, prepare for the new season and reminisce on seasons past.

On behalf of the Association, thanks are offered to:

Merilyn Fowler, who every year organises and resources the Scorers' Convention, which is run concurrently with the Umpires' Convention.

All members who attended the convention, their enthusiasm and readiness for the new season.

Troy Penman and Bede Sajowitz for their hard work in organising the convention from a logistical perspective.

Darren Goodger, for his support and being a sounding board when planning the convention. Management and staff at the Bankstown Sports Club.

Staff at BBQ Spit Roast Catering for dinner on the Saturday night.

Brian Freedman and Bankstown District Cricket Club for the use of the Stephen and Mark Waugh Pavilion.

Every member and non-member who presented. To present takes time to prepare and the courage to speak in front of colleagues, for the betterment of your peers.

Bill Massingham for again being an entertaining and efficient MC for the weekend.

John Evans, the Association's Merchandise Officer, and his team of volunteers, led by Bill Howard and Ray Marshall - all of whom work tirelessly during the convention so our members are able to be well equipped for the upcoming season.

The 2019 Convention was once again an event that not only prepared members for 2019-20, but as always allows members time to catch up with each other and build spirit amongst the group, which is always evident.

## Observers - Bob Davis

During the 2019-20 season six off-field Observers (Laurie Borg, Graham Chudleigh, Errol Cranney, Bob Davis, Rupert Matthews and Graham Reed) have been observing umpires officiating in NSW Men's Premier Cricket matches. All are themselves former umpires.

312 observations, of 168 umpires, were made during the season; this was about a 4% increase on umpires observed last season, which included international, interstate, regional and Shires umpires. It was unfortunate that the season ended the way it did, but under the circumstances there was no alternative.

Observers usually discuss what they have seen with the umpires at the end of a session, or of the day's play, to provide immediate feedback, suggestions, advice and encouragement to the umpires observed, and to provide an opportunity for them to ask questions. A formal report is later prepared and sent, via the Education Officer, to each umpire for reference.

Observers will usually speak informally with one or both captains during a match, to get their thoughts on an umpire's performance. Most captains understand the role of the observer and provide thoughtful and constructive comments for the development of umpires. Captains continue to comment favourably on the year-on-year improvement in the standard of umpiring, a tribute to our Association's Education and Development team, and to the dedication of our umpires themselves.

The observers' aim is to ensure that newer umpires have a sound grounding in basic umpiring techniques as quickly as possible, on which to build more advanced ones. We assist the more experienced umpires with the finer details of best practice, including the "one-percenters" which occur in unusual circumstances.

We are delighted to continue to report the high levels of preparation, teamwork and communication amongst umpires. These characteristics are essential in the higher grades, and umpires at all levels have demonstrated strong evidence of improving these skills. These areas require continuous and consistent effort for success.

Umpires are encouraged to prepare a short list of match goals; actions which the umpire intends to focus on during the match. This has proved exceptionally useful, significantly aids match preparation, and is strongly recommended to all umpires. Observers monitor match goals and provide feedback to the umpires on their success in achieving them.

# EDUCATION AND DEVELOPMENT

Some of the more common things suggested by observers to umpires, especially those early in their career, include:

Regularly review the Laws of Cricket and review the relevant Playing Conditions prior to each match. Umpires may be forgiven for an error of judgement on a decision, but won't be for a mistake in applying Laws or PCs. Note the differences between each type of game, especially the little things (such as when overs are deducted, and when they are not, at an innings break).

Dress neatly when travelling to the ground, so that on arrival you give a good impression to the players. For the toss, be in your on-field uniform (shirt, trousers, shoes, name badge, and cap if you wish); don't forget to carry a coin!

The presentation of any decision establishes a level of respect among the players; any appearance of indecision is undesirable. Stand still while considering an appeal, when giving the decision and even for a moment or two afterwards. Any movement forwards or backwards may give the perception of uncertainty to players and spectators, and 'finger speed' is critical – not too fast, not too slow. When giving batters not-out, a slight shake of the head ensures that all players and spectators are aware of your decision. Don't look at your counter until well after the decision has been made.

When you give a batsman out, look them in the eye as you raise your finger. This gives the impression to all the players that you are confident with your decision. Don't look at the ground or fiddle with your counter.

After a wicket falls, and the stumps have been rebuilt, the umpires should come together, standing with a good view of the pitch and the gate, so that they can (1) prevent any damage to the pitch, (2) watch the dismissed batsman leaving the ground, and (3) see the incoming batsman arrive, noting whether they are right or left handed.

When at the bowler's end, and the batsmen start to run, walk briskly to a position square of the pitch, in line with the batting crease. Aim to be there, and with your head still, when the batsmen complete the first run, ready to adjudicate on a short run or run-out.

Avoid initiating a conversation with a player on the field and keep any responses short. Only address a player if there is a game-based reason to do so. Leave any chit-chat to the end of the match.

If an explanation for a decision is sought by a player, provide a concise answer: an excellent decision can be ruined by a poor explanation. Never offer an explanation (either verbal or by gesture) unless asked.

# EDUCATION AND DEVELOPMENT

When talking with captains, always do so together, and without other players or officials present; let the captains tell their teammates about any decisions made. A united presentation by both umpires gives the strong impression that we are a coherent team. Remember to notify scorers of any decisions which may affect them.

Always watch the play until after the ball has gone dead before looking at your counter; the number on the counter is always less important than a possible run-out.

Likewise, always wait until after the ball is dead before signalling to the scorers.

At all times, especially during a change of over, at least one of the umpires should be watching the pitch. If you are the umpire moving to square leg, linger near the pitch to keep an eye on it, as well as the players and the ball, until your partner arrives at the bowler's end, when this duty is handed over, and you can walk to square leg; consider backing away to your position, so that you can continue to keep an eye on the pitch area. You shouldn't write in your notebook while waiting for your partner to take control; your principal task is to monitor the pitch, ball and players.

If the ball hits the fence hard, disappears from view, or strikes concrete, asphalt, or other solid surface, one of the umpires must inspect the ball on its return to the field, to ensure that (1) it is the same ball, and (2) the umpire knows the state of the ball.

After the ball goes dead, aim to relax ('switch down') while the ball is returned to the bowler. Switch up again when the bowler starts their run up.

When at the striker's end, adjust your distance from the pitch to suit the bowler's speed and the position of fielders. Late in the afternoon, consider moving to the opposite side if the sun is low.

When left and right-handed batsmen are at the crease, and you plan to cross when singles are run, anticipate crossing over. When the batsmen start to run, take a few steps towards the pitch and watch them running from there. If the batsmen run a single, walk to the opposite side; you're already some of the way there, so you'll save time getting across. If they run two, take a few steps backwards to your original position.

Be careful not to give ambiguous signals to your partner when you are at the striker's end: stand with your hands beside or behind you; hands together in front of you could be inadvertently interpreted by your partner as an indication that the batsman had hit the ball with his bat.

# EDUCATION AND DEVELOPMENT

Always be ready to help your partner: regular eye contact during each over, and unambiguous and reliable signals for all common events, present the appearance of teamwork to captains and players. When at the striker's end, between deliveries, turn a little towards your partner, so that you will see any signal from the bowler's end umpire.

After a drinks break, call the players back to the game promptly. Sometimes the fielders go into a huddle after drinks, using up valuable playing time.

Observers participate as selectors for the NSW Premier Cricket umpire panels, and for the appointment of umpires to the finals series. The observers take this duty very seriously, and with so many excellent umpires available for the NSW Men's Premier competition, this is no easy task: it takes several hours of intensive effort to complete these tasks.

We are grateful to the State Umpiring Manager, Darren Goodger, and the Management Team (Bede, Ben, Claire and Troy), for their support and encouragement throughout the season.

We thank all the umpires in NSW Premier Cricket for the spirit in which our activities have been received. We are grateful for your understanding of our role and appreciate your support throughout the season. Like umpires, we have an intention to improve the service we provide. If you have any suggestions to help us, please advise any of us, or the State Umpiring Manager.

## State Umpiring Manager - Darren Goodger

*'I invite everyone to choose forgiveness rather than division, teamwork over personal ambition.'*  
Jean-Francois Cope.

It has been a pleasure to serve as State Umpiring Manager. The purpose of this report is to capture highlights of season 2019-20 and to make appropriate acknowledgements.

### **Members From Affiliated Associations Umpiring in New South Wales Premier Cricket**

We were very pleased to offer members from NSWCUA country affiliates the opportunity to umpire in New South Wales Premier Cricket. We thank the following umpires for accepting appointment in 2019-20:

Alan Bonney (Central North), Ken Brooks (Riverina), Dennis Chaplin (Riverina), Gary Crombie (Central North / Newcastle), John De Lyall (Western), Steve Eccles (Central North), Jeff Egan (Riverina), Barry Ferguson (Greater Illawarra), Ian Furner (Central Northern), Tony Hackett (Riverina), Murray Le Lievre (Riverina), Brenton Harrison (Riverina), Ross McKim (Newcastle), Glenn Pepper (Western), Phil Rainger (North Coast), Doug Sandry (Western), Peter Singh (Western), Neil Smith (Riverina), Andrew Still (Greater Illawarra), Matt Whitty (Riverina).

Sachin Solanki (Shires) also umpired a match in New South Wales Premier Cricket, performing very well in the round 12 first grade fixture at Old Kings Oval between Parramatta and Randwick Petersham.

The umpires are commended for making themselves available. It takes them out of their comfort zone, they learn and benefit from the experience, they certainly add value to New South Wales Premier Cricket when they umpire in the competition, and they are able to take any lessons learned back to their local district which will benefit cricket in that competition and their umpiring colleagues will profit from the shared experience.

We warmly thank the Sydney Cricket Association for supporting this program in 2019-20, it is crucial to the ongoing development of umpires in our affiliates, particularly in the New South Wales Country Zones.

NSWCUSA can be proud as it is a truly State-wide Association.

## Premier Cricket Observers

Laurie Borg, Graham Chudleigh, Errol Cranney, Bob Davis, Rupert Mathews, Graham Reed

General Comments re the Observer Team

Rupert Mathews was an excellent addition to the panel.

Bob Davis does an outstanding job coordinating the Observer Team and keeping the team updated on progress with targets and strategy.

The quality of the information provided by all observers is very high. This has assisted in improving the umpiring standard to a point where umpires are delivering what the game expects. The content of the reports from all observers is excellent, highlighting umpires' strengths and areas for improvement. Our observers do an excellent job providing thought-provoking, individual and detailed feedback aimed at assisting umpires to achieve their goals and to aid the improvement of umpiring standards across New South Wales. Assessment drives behaviour and helps raise the bar.

A development workshop was facilitated for the umpires.

Ian Thomas did a fine job as the Tournament Referee.

### **Congratulations Paul Wilson**

Following a stellar season, including a Test Match debut and appointment to the ICC Cricket World Cup, sees Paul Wilson win the 2019-20 Cricket Australia (CA) Umpire Award for the third consecutive year.

Awarded annually, the CA Umpire Award is presented to an ICC Elite Panel or National Panel Umpire adjudged all-round most outstanding, with consideration not only to an umpire's on-field performance but also their contribution to elite umpiring in Australia by way of significant achievement or off-field work.

Wilson joined the Cricket Australia National Umpire Panel in 2010-11 and at the close of the 2019-20 Australian cricket summer season has stood in a total of:

- 2 Test Matches (additional 2 Third Umpire Appointments)
- 30 One-Day Internationals (additional 12 Third Umpire appointments)
- 16 T20 Internationals (additional 7 Third Umpire appointments)
- 59 First-Class Matches (43 Sheffield Shield games)

Following his elevation to the ICC Emerging Panel of Umpires in May 2018, Wilson has stood in matches across Bangladesh, India, New Zealand, Sri Lanka, United Kingdom and the West Indies alongside his Australian domestic cricket commitments.

# EDUCATION AND DEVELOPMENT

Wilson was appointed by the ICC to the ICC Cricket World Cup in the United Kingdom throughout June/July 2019. A part of the 16-person panel, he stood in five matches and was appointed to three further matches as Third Umpire across Birmingham, Bristol, Cardiff, Leeds, Southampton and Taunton.

Within a couple of weeks of finishing his ICC Cricket World Cup duties, Wilson returned to England and made his Test Third Umpire debut at Lord's. His appointment was part of the one-off Test Match between England and Ireland.

Wilson made his most significant step on his umpiring pathway in September 2019 when he made his Test Match debut in the fixture between Bangladesh and Afghanistan in Chittagong. His second Test Match appointment came in late November, where he officiated in the New Zealand versus England fixture in Hamilton. As part of the same Series, Wilson was also Third Umpire for the game in Maunganui.

In February 2020, Wilson travelled to Sri Lanka and officiated in the three-match One-Day International Series. There he was on-field for two matches, and the remaining in the Third Umpire box. Wilson added one further One-Day International to his tally, standing in the match between Australia and New Zealand at the SCG which turned out to be the last match of the season.

Earlier in the 2019-20 season, Wilson stood in the two T20 International Series' against visitors Sri Lanka and Pakistan across Adelaide, Brisbane, Melbourne, Sydney and Perth.

In domestic cricket, Wilson officiated in two Marsh One-Day Cup fixtures in Sydney and one Marsh Sheffield Shield match in Perth. In the shortest format he was appointed to 12 KFC BBL|09 matches, which included the rain affected final between the Sydney Sixers and Melbourne Stars at the SCG.

On field performance

Demonstrated a high level of professionalism in their conduct throughout the year, both on and off field

Significant development and improvement in performance on-field

Significant achievement in umpiring throughout the year

Contribution to the Australian cricket community in general

Sets an example of what it is to be a cricket umpire to the rest of the cricket and umpiring community

Source: <https://www.community.cricket.com.au/umpire/news/>

Paul Wilson is a great advocate for cricket umpiring and NSWCUA. He sets an example of what it means to be a cricket umpire by way of his professionalism and commitment. He gets the job done in a no-nonsense manner without drawing attention to himself. He knows the place and role of the umpire and is highly respected by the players having built an excellent rapport with so many. We appreciate Paul's involvement in Association activities whenever his international umpiring commitments allow. We are very proud of his many umpiring achievements and the contribution he makes to the national match officials' system. We offer congratulations to Paul on receiving the Cricket Australia Umpire Award for 2019-20 and wish him the very best with his future umpiring endeavours.

## **NSWCUSA Management Team**

*Teamwork is the ability to work together toward a common vision. The ability to direct individual accomplishments toward organisational objectives. It is the fuel that allows common people to attain uncommon results. Andrew Carnegie.*

We can very proud of the work carried out by the NSWCUSA Management Team in serving match officials across New South Wales in 2019-20:

Troy Penman is commended for his fine management of an exceptional team in his first year as Executive Officer. There were challenging issues to deal with including air quality, wet weather, bushfires, extreme heat and COVID-19. Troy remained calm and professional in his approach, leading the Association with dignity and distinction, particularly in the key area of communication.

Claire Polosak continues to be a leader in the area of female umpire engagement. She has done an outstanding job recruiting females to be umpires and assisting with their ongoing education and training through structured programs. There were 152 female umpire appointments in New South Wales Premier Cricket this season; 80 to women's matches and 72 to men's matches. Claire has also done an excellent job with the Community Officiating Accreditation Program, resourcing and facilitating all face to face courses.

Bede Sajowitz is an accomplished administrator and done an outstanding job managing the NSWCUSA daily, taking responsibility for merchandise, assisting the Treasurer as required, all membership matters including renewals, making our social media channels relevant and interesting, driving the proofing, editing and production of the Annual Report, and doing a fine job with the Association minutes. Bede is a young man of the highest quality with a wonderful work ethic. He is an asset to NSWCUSA and CNSW.

Ben Treloar was an excellent addition to the umpires' team at CNSW serving as NSWCUSA Education Officer. He has done a magnificent job streamlining the delivery of the Laws of Cricket training course so it can now be completely facilitated online, meaning people from across the globe can access NSWCUSA training programs. Ben has updated the NSWCUSA training materials, they are world class resources.

We are fortunate to have a focused, talented and energetic team.

*Remember, teamwork begins by building trust. And the only way to do that is to overcome our need for invulnerability. Patrick Lencioni.*

## **NSWCUSA Board**

A vote of thanks is extended to the Board of Directors for their leadership and governance of the NSWCUSA, along with their support of the education and training initiatives. It is a pleasure to serve on a Board where those involved are committed to cricket and umpiring, and to making the Association the best it can be. The Board is free from self-interest and the Directors work very well together, committed to taking the Association forward while being prepared to encourage and challenge the management team and each other. They are involved for the purpose of enjoyment and making the best possible contribution.

I express my gratitude to the Board Chair (Mark Hughes), Treasurer (Laurie Borg) and all Directors for their contribution and support.

## **Appreciation | New South Wales Scorers**

A vote of thanks to our scorer members who do such a great job at all levels of the game. Thank you to Merylyn Fowler and the Scorers' Committee for delivering such high quality scorer training. Merylyn continues to do an outstanding job for the scorers in education, training, mentoring and leadership. Thank you to the Representative Scorer Selection Committee – Troy Penman (Chair), Merylyn Fowler and Narelle Johnston who have done a commendable job appointing scorers to so many representative fixtures.

The appointment of Adrian Tham to make his first-class debut was a season highlight. Adrian is a talented scorer with a wonderful attitude and a bright future in representative scoring ahead of him.

## **Cricket Performance Restructure | Cricket New South Wales**

The umpiring team at CNSW works in the Cricket Performance department. Following an external review in 2019 of the CNSW high-performance function it was determined to restructure the department with the Head of Cricket as leader.

CNSW sought applications for Head of Cricket and this crucial leadership position has now been filled.

We acknowledge the appointment of Greg Mail, offering congratulations and best wishes to him in the Head of Cricket role. Greg is an outstanding person, a fine cricketer who played the game competitively and in exceptional spirit. He always respected the role of the umpire and we are very pleased that match officiating will sit in an area of CNSW that he will lead.

The State Umpiring Manager will report to the Head of Cricket.

# EDUCATION AND DEVELOPMENT

We offer our thanks and best wishes to David Moore who moves to an exciting new role at CNSW to be Head of Coach and Player Development, joining the People and Culture Team. David was a great supporter of match officials and the NSWCUA in his time as General Manager, Cricket Performance.

Here is the article announcing the appointment of Greg Mail, as provided by CNSW Media.

*Former NSW Blues opening batsman and Premier Cricket record holder Greg Mail has been appointed to the newly created Head of Cricket position at CNSW.*

*A former Blues selector Mail, 42, had a long, successful cricket career in NSW, playing 72 first-class matches. He also compiled a record 15,242 runs in 366 First Grade matches.*

*Under the new CNSW structure Mail will oversee all aspects of male and female cricket development and performance to re-position and lead CNSW's cricket high performance capability.*

*CNSW CEO Lee Germon said Mail had been chosen following a thorough and exhaustive recruitment process with high quality candidates both locally and from overseas.*

*"Greg brings an exciting mix of a strong cricket and cricket leadership background, intimate knowledge of the NSW setup and detailed strategic and analysis skills from his experience in the corporate world," Mr Germon said.*

*"The ideas and problem-solving skills he presented during the interview process were most impressive.*

*"While CNSW is taking a cautious approach to hiring during the COVID-19 pandemic given the profound impact it is having on professional sport across Australia and around the world, the Head of Cricket role is vital to NSW continuing as a major contributor in Australian Cricket.*

*"The role will be the centrepiece for Cricket in NSW, and its very success will assist in growing participation and inspiring the next generation of cricket players and fans.*

*"The restructuring of our Cricket Performance department comes from a position of strength, with the Blues claiming the Sheffield Shield title, the Breakers playing in a 24th consecutive Women's National Cricket League Final, and NSW teams performing strongly at all underaged National Championship levels.*

*"The Sydney Sixers claimed their second Big Bash League title and the Sydney Thunder finished third.*

# EDUCATION AND DEVELOPMENT

*"Six NSW male players and three female players were announced in national contract lists by Cricket Australia this week."*

*Mail said he was excited by the new role.*

*"I'm really looking forward to rejoining CNSW, it's been a big part of my life," Mail said.*

*"I'm looking forward to working with Lee and the off-field team to continue the great tradition of NSW success. This is a great opportunity to set our state up for the long term in male and female cricket."*

*CNSW recently appointed former Australian batter and a four-time Belinda Clark Medal winner with the NSW Breakers, Leah Poulton as Head of Female Cricket.*

*In her new role, Poulton will report to Mail.*

*In all, Mail played 72 first-class matches for New South Wales from 1999/00 to 2008/09, scoring 4,085 runs at 32.16, with nine centuries and 19 half-centuries, and a top score of 176.*

*In 366 First Grade matches he has scored a record 15,242 runs at 46.32 with a record 44 centuries, eight more than the next best, Victor Trumper, Warren Bardsley and Bob Simpson.*

## **Appreciation | Cricket New South Wales**

We offer a vote of thanks to CNSW for the many opportunities afforded to match officials to be involved in the game we love via CNSW competitions and representative programs and for the provision of umpire servicing and accreditation grants to support our education and development initiatives. The faith placed in the NSWCUA to manage umpiring and scoring is appreciated and heartening. To Lee Germon and John Knox, we offer a sincere vote of thanks for the genuine support given to match officials. We commend CNSW on its outstanding leadership, so evident during the COVID-19 crisis.

# SECTION 5 - ZONES AND AFFILIATES

## Central Coast - David Grainger

Another season on the Central Coast has drawn to a close and it is with pleasure I submit my report for the season.

This season has been busy like most, with our grade competition again consisting of two-day, one-day limited over, and T20 matches. A separate U21 T20 competition was played on Sundays. This year saw marked decrease in junior representative fixtures on the Central Coast and the rise of the women's competition, played under T20 rules.

The end of the season, like most, ended abruptly due to the ever-increasing risk of the COVID-19 pandemic and social distancing guidelines. This prevented both First & Second Grade Grand Finals from being played.

### **Affiliated Umpire Associations in the Zone**

The Central Coast Cricket Umpires' Association is the only association in the Central Coast zone.

### **Finals Appointments**

This season's finals series was severely affected by the weather and then COVID-19. Congratulations to David Grainger on being selected to officiate in his first First Grade Final, even though not one ball was bowled. Congratulations to all umpires who braved the weather to take part in the finals series.

### **Two Day Grand Finals**

**First Grade** David Grainger and Mark Ronson

**Second Grade** John Davidson and Tom Maurer

# ZONES AND AFFILIATES

## Lower Grade Grand Finals (One Day)

**Third Grade** Hamish Millen and Geoff Peebles

**Fourth Grade** Tony Booth and Jonty Webb

**Fifth Grade** Alex Brown and Warren Jackson

**Sixth Grade** Mal Emerson and Michael Wheeler

**Seventh Grade** Joe Dowden

## Women's Grand Final

**T20** Bill Colbran

The First Grade Grand Final was shaping up to be a very interesting match between the two top ranked teams. Due to the COVID-19 pandemic, the match did not progress and Kincumber were declared premiers over Lisarow.

## Limited Over Finals

**First Grade** Bill Colbran and Mark Ronson

This season, First Grade was the only one-day limited over final played which saw Lisarow defeat Warnervale.

## T20 & U21 Finals

The First Grade T20 finals were played over the Australia Day long weekend. David Grainger & Tom Maurer officiated the Final in which Kincumber defeated Lisarow.

The U21 T20 finals were played on Sunday 23rd February with a carnival atmosphere. Hamish Millen & Mark Ronson officiated the Final where Kincumber defeated Southern Spirit.

## Umpire Numbers

It was very pleasing to see our numbers increase this season, particularly off the back of several seasons which saw numbers fall dramatically. Membership for the season rose to 29, with 24 of those being active across the season. This enabled us to quite frequently have members in Second Grade each week and on occasion into Third Grade.

## Executive and Office-Bearers

The Central Coast Cricket Umpires' Association Executive for season 2019-20 was:

**President** Elisabeth Houston

**Secretary** Bill Colbran

**Treasurer** David Grainger

# ZONES AND AFFILIATES

This season saw a rather significant change to the Executive, with Don Maisey standing down after over 10 years as President and James Figallo standing down as Secretary. I want to thank both Don and James for their commitment and work to promote the game of cricket and umpiring on the coast.

During the season, Don also stood down as Zone Representative for the NSWCUSA.

I would like to thank both Elisabeth and Bill for their time and effort, both performing extremely well in their first season in their respective roles.

It is always important to have members willing to stand up and invest their time to the successful running of the Association on the coast - it would be impossible for it to continue otherwise!

## **Education and Development**

We held two separate Laws of Cricket training courses, both led by NSWCUSA facilitators.

The first of these was held in the off-season on the weekend of 27-28 July. The course was well attended with over 30 participants, from which saw six new members join our Association.

The second of the Laws of Cricket courses was held over a series of week-night sessions in November, which again was well attended. From this course, a further four people became members of the Association.

I would like to thank the Central Coast Cricket Association for endorsing and advertising the Laws of Cricket courses amongst all affiliated clubs on the coast.

At each monthly meeting, there is a session on the Laws of Cricket and local playing conditions. In addition to this, Ben Treloar joined us at our December meeting where we explored and developed our fieldcraft techniques.

## **Key Highlights**

The one standout this year has been the rise in umpire numbers, with active members increasing from 17 to 24. The completion of the two Laws of Cricket courses, advertised and endorsed by the Central Coast Cricket Association and the recruiting activities of CCCUA members has led to this result.

The Phil Kirby Trophy for Umpire of the Year and Alf Debnam Trophy for First Grade Captain of the Year – voted by umpires, have been delayed due to the postponement of the Alan Davidson Dinner due to COVID 19. Winners will be advised in due course.

# ZONES AND AFFILIATES

We thank Specsavers Central Coast for their ongoing sponsorship which has continued to help the Association financially and increase our profile on the coast.

I would like to personally thank Darren Goodger and Troy Penman for their support before and during the season.

## Tamworth

In a repeat of 2018-19, the 2019-20 season began with a prolonged drought and sadly ended with all finals being cancelled due to COVID-19. Additionally, we had much-needed rain which forced the abandonment of matches in both January and February. The fortunes of cricket indeed!

NSWCUSA training took place during August 2019. Twenty-one participants attended with the Association gaining four new members. It was pleasing that three players (including TDCA President, Ben Middlebrook) were amongst the attendees and they joined the TDCUSA and officiated in several matches during the season. They now have a different view of the life of an umpire!

TDCUSA Dinner and Awards Night was postponed due to COVID-19 and the 2020 NSWCUSA Convention has been scheduled in Tamworth - hopefully with the pandemic defeated by that time.

The TDCUSA covered every grade, senior and junior representative match as well as female and school matches throughout the season. TDCUSA also provided umpires to Northern Inland representative fixtures with a highlight of the season was the appointment of our youngest member, Lauren McGill (18), to a First Grade match in her first full season.

Two highly respected umpires in John Thompson and Doug Crowell announced their retirement. Both wonderful servants of the game as umpires and players. Well done Gentlemen!

## Greater Illawarra - Neil Findlay

The Greater Illawarra Zone, which stretches from Batemans Bay in the south, to Bowral in the west and to Helensburgh in the north, has four separate Cricket Associations – Highlands, Illawarra, Shoalhaven and South Coast. However, because of concerns about the coronavirus pandemic, there were no end-of-season finals played anywhere in the Zone.

### **Affiliated Umpire Associations in the Zone**

The Greater Illawarra Zone also has four Umpire Associations:

- Highlands District Cricket Umpires' Association
- Illawarra Cricket Umpires' Association
- Shoalhaven District Cricket Umpires' Association
- South Coast District Cricket Umpires' Association

Each Association is individually affiliated with New South Wales Cricket Umpires' and Scorers' Association.

### **Highlands District Cricket Umpires' Association**

**President** Richard McHarg

**Secretary** Angus Humphreys

### **Umpire Numbers**

There are twelve members in the Association. However, with just three or four umpires regularly available, only one umpire could be appointed to each First Grade match and to some Second Grade matches. Local resident and former international umpire, Simon Taufel, continued to officiate when time allowed.

### **Illawarra Cricket Umpires' Association**

**President** Morgan Prosser

**Secretary-Treasurer** Barry Moir

### **T20 Finals Appointments**

**First Grade** Jeff Charlesworth and David Cullen

**Second Grade** Frank Ciocci and Steve Saye

**Third Grade** Peter Murphy and John Walker

**Fourth Grade** Brian Druery and Evan Lane

**Umpire of the Year** David Cullen

**Most Improved Umpire** Peter Murphy

# ZONES AND AFFILIATES

## **Umpire Numbers**

During the season, there was a pleasing increase in umpire numbers with Greg Behan, Jeff Charlesworth, Ken Doughty, Greg Miles, Peter Murphy, Safdar Rasool and Steve Ward all joining the Association. This brought the total number of active umpires to twenty-three. Unfortunately, however, because of work and other commitments, there was no weekend when everyone was available. Although there were still sufficient numbers for appointments to all matches in First and Second Grade, most Second Grade matches only had one umpire and it was seldom possible to cover many lower Grade fixtures.

## **Education and Development**

Prior to the season, all those intending to umpire completed an open book examination on the Laws of Cricket and a field craft session was conducted for members. During each monthly meeting, there were discussions about questions on Laws and Playing Conditions, various aspects of field craft and comments made by captains in their match reports.

## **Season Highlights**

In Term 4, the NSW Primary Schools Boys Cricket Championships were played in Wollongong. The appointed umpires were Chris Adams, John Burgoyne (Highlands DCUA), Brian Druery, Barry Ferguson, Evan Lane, John Oliver (South Coast DCUA), Ray Trindall, Frankie Ulcigrai (South Coast DCUA), Steve Ward and Brian Whitehouse.

The third umpire exchange between the NSWCUSA and Illawarra CUA took place in November, with two umpires from each Association being involved. Barry Ferguson and Andrew Still (Illawarra CUA) travelled to Sydney to stand in Second Grade matches with Andrew Coates and Bill Massingham, while Tony Carr and Rick Crocono (NSWCUSA) officiated in Wollongong First Grade matches with David Cullen and Neil Findlay. The exchange was highly successful, and a further exchange is planned for next season.

After Christmas, the annual umpire exchange between the Illawarra CUA and New Zealand's Central Districts CUSA also continued. Jason Leahy travelled from New Zealand to umpire in Wollongong and Barry Ferguson then flew to New Zealand to officiate in two One-Day matches at Ongaonga (Central Hawkes Bay v. Havelock North) and Napier (Women's Final: Hawkes Bay v. Manawatu). This exchange is now well established and umpires from both Associations have again indicated their desire to participate next season.

## **Shoalhaven District Cricket Umpires' Association**

**President** David Schofield

**Secretary-Treasurer** Peter Done

### **Finals Appointments**

**First Grade (One Day)** Peter Done and Cathy Russell

**Second Grade (One Day)** David Schofield and David Single

**Third Grade (One Day)** Darrell Craft and Ian Davidson

**Fourth Grade (One Day)** Shawn Higgins and Graham Lowbridge

**T20 (Turf)** Cathy Russell and David Single

**T20 (Astro)** Darrell Craft and Cathy Russell

**Umpire of the Year** David Schofield

There are nine members in the Association. However, on average, there were only four umpires available each week to cover the five matches in First Grade and Second Grade.

A sad note for the Association was the passing of former umpires, Jason Leeuw and Alan Twiner.

## **South Coast District Cricket Umpires' Association**

**President** Brad Herbert

**Secretary** Jackson Surman

### **Finals Appointments**

**First Grade (One Day)** Gary Paget and Frankie Ulcigrai

**First Grade (T20)** Peter Johnson and John Oliver

**Second Grade (T20)** Jackson Surman and Frankie Ulcigrai

**Umpire of the Year** Frankie Ulcigrai

It has been a challenging season for SCDCUA, with increased unavailability and a fluctuation in membership numbers. While a total of eleven individuals umpired at various times, on average, there were only five umpires available each weekend and, in one round there were only three umpires, one for each of the First Grade matches. Illawarra CUA members helped cover matches where possible.

# ZONES AND AFFILIATES

Two stalwarts of the Association umpired their final South Coast matches during the season, namely Paul Kitson and John Oliver. Paul relocated to Port Macquarie while John has indicated his intention to continue his umpiring with Illawarra CUA. Both are thanked for their invaluable contributions to the Association over many years.

Jackson Surman (Secretary) and Chris Lukey (Treasurer) are also to be acknowledged. Each of them has served the Association with distinction, but unfortunately neither is able to continue in his role next season.

## Zone Highlights

During the pre-season, NSWCUA conducted a personal development workshop in Wollongong. A total of thirty-three participants from across the Zone attended the course, facilitated by Neil Findlay, Darren Goodger and Bede Sajowitz. Sessions were conducted on the Laws of Cricket and various aspects of umpiring technique.

Inter-Association competitions were conducted at both Senior and Junior levels and umpires also stood in NSW Country Youth Championship matches played in the Zone. The thirty umpires who officiated were:

Highlands District CUA – Mark Coles, Angus Humphreys, Iain Greaves, Byron Kaufling, Richard McHarg, Dennis Purcell, Norm Stanton, Simon Taufel.

Illawarra CUA – Chris Adams, Frank Ciocci, Dave Cullen, Brian Druery, Barry Ferguson, Evan Lane, Steve Saye, Ray Trindall, Steve Ward, Brian Whitehouse.

Shoalhaven District CUA – Darrell Craft, Ian Davidson, Peter Done, Graham Lowbridge, Terry Richmond, Cathy Russell, David Schofield.

South Coast District CUA – Scott Greenwood, Peter Johnson, John Oliver, Jackson Surman, Frankie Ulcigrai.

At NSW Country level, David Cullen was again appointed to the Country Umpire Representative Panel. He officiated at the U15 and U18 Female Country Championships in Raymond Terrace, the Country Championships (Northern Carnival) in Gosford and the Final of the Women's Regional Bash at the Sydney Cricket Ground. David was also awarded the prestigious NSWCUA E. F. Wykes Affiliated Association Medal for his outstanding contribution to the Illawarra CUA, both on and off the field.

## ZONES AND AFFILIATES

Finally, the following umpires are to be congratulated on reaching significant milestones during the season:

John Oliver (South Coast DCUA): 800 matches  
 Chris Adams (Illawarra CUA): 450 matches

 Steve Saye (Illawarra CUA): 350 matches

## Newcastle - Kim Norris

Well the season for 2019-2020 was particularly challenging in many aspects with a plethora of opportunities for umpires and players alike. Play was interrupted by wet weather, extreme heat and even smoke leading to poor air quality which presented ongoing hurdles for officials. The nail in the coffin was the coronavirus pandemic which disappointingly halted finals series in the Zone resulting in a sudden end to the season.

Increased demand for umpires provided new and existing umpires with opportunities from within and outside the Newcastle Zone. Umpires from both the NDCUA & NCSCUA stood in the various fixtures scheduled by their respective associations. Increased requests from schools placed a heavy demand on umpire resources however all requests were accommodated.

A new Women's T20 competition was initiated by the NDCA to provide an avenue to attract more women to the game.

An enthusiastic attitude was displayed, and it was terrific to see how much they enjoyed the game.

I wish to acknowledge the grounds people and clubs – in often trying conditions they toiled hard, often beyond what was expected, to ready ovals for play. The cooperation and 'workability' with umpires is greatly appreciated.

## Education and Development

Well-attended NSWCUSA Laws courses were held in the zone during August and September. Following the courses, successful umpires received further development via:

- A field-craft session

- Trial match observation with supportive feedback provided by local trainers.

In September a Professional Development day was held in Newcastle. Those attending enjoyed a review of the new Law changes, being accredited under the second edition of the 2017 Code.

A Community Officiating course was also held in July. The course was well-attended with several participants going on to umpire in fixtures in the Newcastle Junior Cricket Association.

In addition, eight NDCUA umpires are currently undertaking and completing the Representative Officiating Program offered by Cricket Australia.

## Zone Representative Appointments

Zone umpires were appointed to matches in the following competitions:

## North Coastal - Paul Dilley APM

This season was a most interesting test of leadership and resilience of our members both on and off the field. Umpires were predominately at the forefront, making many decisions in the best interests of cricket in testing, and at times, in heated discussions with captains, players, coaches and parents.

I believe the leadership and resilience shown was yet again a result of being prepared with pre-season training sessions held across the North Coast. On behalf of the North Coast I'd like to thank Darren Goodger for facilitating professional development workshops at Lismore and Port Macquarie. .

Claire Polosak also facilitated a Cricket Australia Level One - Community Officiating course at Port Macquarie. Whilst a number of those participants are still playing, the Hastings Association gained an umpire who showed great promise on the field and stood regularly with a partner in First Grade. I highly recommend all to promote this course to attract new members and provide further development to assist with obtain NSWCUSA accreditation.

Many of the resources from that course and the NSWCUSA Convention were distributed and utilised throughout the Zone with the focus this year being the changes to Laws and match management. It was this training that enabled members to have those 'difficult conversations' with matches abandoned due to hazardous smoke with most Associations losing between five and six weeks before then being confronted with matches abandoned due to rain and ultimately, finals matches abandoned due to COVID-19.

Given the interruptions, members on the North Coast featured highly with appointments to major Country Cricket NSW carnivals and the NSW Youth Championships. Congratulations to Bruce Baxter standing in his third Grand Final of the Men's Plan B Regional Bash, and also to Tony Blanch, Pat Holt, Dave Honeybrook, Peter Kent, Bill McCarron, Rob Pye, Graham Rose, Chris Welsh and Dave Whitby who were appointed to matches played at Dubbo, Grafton and Maitland.

Finally I'd like to thank each of the Association Secretaries: Bruce Baxter, John Pearce, Rob Pye and David Went and other members: Pat Holt, Craig Lobegeier, Phil Rainger and Ken Robinson as well as countless others for providing leadership and support to members in what can only be described as a once in a thousand-year season!

## Riverina - Pat Kerin OAM

During the winter, two training courses were held in the Riverina. On the weekend of 14-15 June 2019 an umpiring workshop was held at the Cootamundra Ex-Services Club.

Eighteen umpires attended the Professional Development and Observers Training facilitated by Laurie Borg, Darren Goodger and Bede Sajowitz.

A Laws of Cricket course was also held in the St. Vincent De Paul Boardroom in Wagga Wagga on the weekend of 10-11 August 2019 and was facilitated by Darren Goodger, Sharad Patel and Bede Sajowitz.

Twenty umpires or those who were interested in becoming umpires attended the training course, which saw four new members successfully sit the NSWCUA assessment.

During the 2019-20 season, three Riverina umpires reached milestones. Dennis Chaplin stood in his 300th match, while very late in the season Graham Moon stood in his 500th match and Pat Kerin chalked up 600 matches in the middle.

I congratulate the eight umpires who challenged themselves by travelling to Sydney to officiate in Premier Cricket, they were:

### First Grade

Ken Brooks (Murray Border CUA)  
 Jeff Egan (Cootamundra CUA)  
 Brenton Harrison (Griffith CUA)  
 Murray Le Lievre (Wagga Wagga CUA)

### Second Grade

Dennis Chaplin (Wagga Wagga CUA)  
 Tony Hackett (Wagga Wagga CUA)  
 Neil Smith (Murray Border CUA)  
 Matt Whitty (Murray Valley CUA) (and a match in third grade)

Rob Pye and Dennis Chaplin

I am very proud to say that for the first time all five affiliates in the Riverina had umpires officiating in NSW Premier Cricket.

## **Cootamundra District Cricket Umpires' Association**

**AGM** Friday 13 June 2019

**President** John Stephens

**Secretary/Treasurer** Pat Kerin

The definite highlight of the season was Jeff Egan officiating in his maiden First Grade match in NSW Premier Cricket. In round 15 on Saturday 14 March, Jeff was selected to stand with Darren Goodger as University of NSW welcomed Northern District at David Phillips South. Jeff received excellent reports from both captains as well as Darren.

The Cootamundra District Cricket Umpires' Association has completed its 16th season as an affiliate of NSWCUSA. During this period members have officiated in the Cootamundra Merrin and Sparre Cup competitions, the JDI Cup (involving teams from Cootamundra, Harden and Young), the South West Fuel Cup (involving teams from Cootamundra and Temora) and for the past five seasons, the South West Slopes Cricket League (involving teams from Cootamundra, Temora and Young).

In the 2019-20 season the Cootamundra District Cricket Umpires Association had 12 financial members. Nine are members of NSWCUSA with five of those members being active officials in the South West Slopes Cricket League competition.

Pat Kerin and Jeff White continued umpiring in matches in the South West Slopes Cricket League as well as the newly named Cricket Wagga Wagga competition.

**Secretary/Treasurer** Joe Catanzariti

There were 212 appointments during the season with a healthy number of 12 umpires sharing the load.

Richie Alvaro led the way with 30 appointments closely followed by Peter Davis with 28. It was impressive for Griffith cricket to have two umpires in A Grade.

# ZONES AND AFFILIATES

Congratulations again to Brenton Harrison on making the trip to Sydney to officiate in NSW Premier Cricket First Grade. Brenton stood with National Panel umpire Greg Davidson as Mosman welcomed Sydney.

We welcomed new umpires John Witherspoon and Justin Moat, while we acknowledge all our long serving umpires Richie Alvaro, Gordon Browne, Joe Catanzariti, Doug Cattanach, Don Coleman, Peter Davis, Brenton Harrison, Garry Tucker.

## Murray Border Cricket Umpires' Association

**AGM** Tuesday 13 August 2019

The highlight of the season for the Association was Neil Smith being selected as one of New South Wales umpire representatives at the Australian Country Championships in Toowoomba.

Unfortunately, the Provincial A & B Grade Finals Series were cancelled due to the pandemic, but congratulations to all umpires on their appointment.

## **Murray Valley Cricket Umpires' Association**

**AGM** Tuesday 27 August 2019

**President** Matt Sizer

**Secretary** Matt Whitty

Murray Valley CUA had 12 members, with two being NSWCUA accredited. During the season, our umpiring numbers were solid where we regularly had umpires available for all three grades.

The highlight of the season was Matt Whitty umpiring NSW Premier Cricket during January.

## **Finals Appointments**

**Premier** Col Smith and Matt Sizer

**Division 1** Neil Graham and Paul Polkinghorne

**Division 2** Rod Meloury and Mark Oliver

## **Wagga Wagga Cricket Umpires' Association**

**AGM** Monday 12 August 2019

**President** Dennis Chaplin

**Secretary/Treasurer** Tony Hackett

A highlight for the WWCUA was that three of our umpires officiated in NSW Premier Cricket this season. Murray Le Lievre officiated in First Grade, whilst Dennis Chaplin and Tony Hackett both stood in Second Grade.

There are 15 members of NSWCUA currently umpiring in Wagga Wagga, with five WWCUA members still to pass the NSWCUA Laws of Cricket course. We have 20 members of WWCUA which is extremely pleasing. This is an excellent increase on past years.

It was a very different season with bushfires resulting in games cancelled because of the thick smoke and then games cancelled because of excessive heat. Cricket Wagga Wagga was very fortunate that the season was planned to finish on 14-15 March and were able to complete their grand finals.

# ZONES AND AFFILIATES

A huge benefit to WWCUA was that we had three umpires from other associations join our ranks this past season – Pat Kerin and Jeff White from Cootamundra CUA (for more than one third of the season) and Roger Burns from Murray Border CUA.

## Finals Appointments

**First Grade** Tony Hackett and Murray Le Lievre

**Second Grade** Anthony McGettigan and Graham Moon

**Third Grade** Lee Barclay and Steve Carracher

**Fourth Grade** Phil Angel and Mick Marien

WWCUA would also like to acknowledge the help, advice and assistance provided by Riverina Zone Umpire Representative Pat Kerin OAM (an excellent mentor in all aspects of cricket administration).

## Western - Graeme Glazebrook

The 2019-20 season will be remembered for perhaps all the wrong reasons. All competitions within the Zone were affected initially by the drought followed by bushfires and the associated air quality issues and finally the COVID-19 pandemic led to the majority of competitions not being completed.

The season did however present many umpires from Western Zone the opportunity to officiate in matches under the control of Cricket NSW and Country Cricket NSW– Matt Chirgwin, John De Lyall, Ian Findlay, Graeme Glazebrook, Colin Harper, Chris King, Darrin Masters, Scott McLean, Mark Munro, Glenn Pepper, Robert Ryan, Doug Sandry and Peter Singh all being appointed to various matches. All thoroughly enjoyed the experience and were extremely grateful of the opportunities afforded to them and would like to thank Cricket NSW, Country Cricket NSW and NSWCUSA for their support.

### **Affiliated Umpire Associations in the Zone**

Western Zone has two umpire associations affiliated with NSWCUSA: Macquarie Valley Cricket Umpires' Association (based in Dubbo) and Mitchell Cricket Umpires' Association with branches operating in Orange and Bathurst.

### **Executive of Affiliated Umpire Associations**

#### **Macquarie Valley Cricket Umpires' Association**

## **Mitchell Cricket Umpires' Association**

### **Orange Branch**

**President** Ian Findlay

**Secretary** Steve Warrington

**Treasurer** Steve Warrington

My thanks go to all umpires in Western Zone and to the executive members of our Affiliated Associations. In particular, I would like to acknowledge Doug Sandry (Dubbo) and Steve Warrington (Orange) for their assistance with representative appointments.

## **Zone Competitions**

During the season, Western Zone facilitated competitions at both Junior and Senior Level. In the juniors the number of matches was greatly reduced - predominantly caused by the introduction of the NSW Youth Championships competition and the associated workload on junior players within the Zone. Four matches were played toward the end of the season in the Under 12 and 14 age divisions and were predominantly used as a selection trial for next seasons NSWYC teams.

In the seniors there were three competitions: Western Zone Premier League, Western Zone Plate and Western Zone Colts. In the Western Zone Premier League competition, two umpires made their debuts- Scott McLean (Orange) and Mark Munro (Dubbo). Other umpires who were appointed to this completion were John De Lyall, Mark Frecklington, Graeme Glazebrook, Colin Harper, Greg Jones, Robert Ryan, Doug Sandry and Mark Waldren. Each match was covered by two umpires, with special thanks to Western Zone for their ongoing support of umpires within the Zone especially during the Colts carnival.

The following were the appointed umpires to the respective competition finals:

**Western Zone Premier League** John De Lyall and Graeme Glazebrook

**Western Zone Plate** Colin Harper and Mark Munro

**Western Zone Colts** Mark Munro and Glenn Pepper

## Local Finals Appointments

Finals matches in the majority of the competitions did not proceed due to COVID-19. The following is a summary of the appointments to the last completed matches in the respective competitions.

### Bathurst/Orange (Semi Finals)

**Major** Graeme Glazebrook and Steve Warrington

**Minor** Ian Findlay and Gary McAulley

**BDCA – Second Grade** Gary Cole

### Blue Mountains (Finals)

**First Grade** Craig Kelly and Ian Strudwick

**Second Grade** Timothy Legge

### Lachlan Premier League

**Final** Glenn Pepper and Mark Ryan

### Dubbo (Finals)

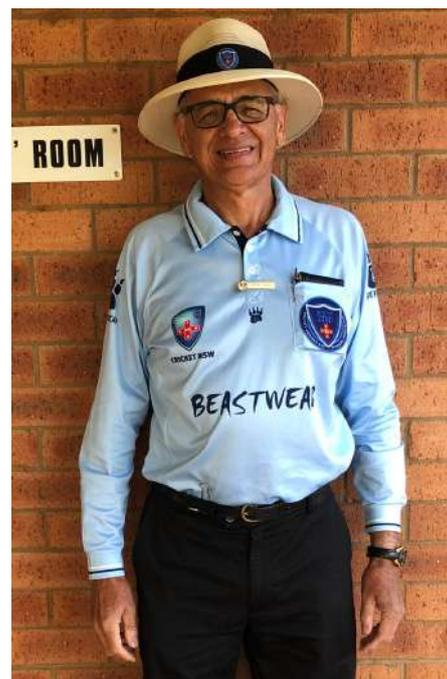

**First Grade** John De Lyall and Peter Singh

**Second Grade** Colin Harper and Mark Munro

**Third Grade** Nathan Astri and Angus Ridge

**First Grade One-Day Cup** John De Lyall and Phillip Leonard

**McDonald’s Megahit** Phillip Leonard and Keith Morton

Peter Singh

Congratulations to all appointed umpires– just reward for your commitment and untiring efforts during the season.

### Umpire Number Throughout the Zone

Lachlan	11	Macquarie	23	Mitchell	33
Cowra	7	Dubbo	19	Bathurst	15
Forbes	1	Narromine	2	Mudgee	3
Parkes	3	Wellington	2	Orange	15

Umpire numbers within the Zone increased slightly although in some areas the actual active umpiring numbers are of concern. This is particularly the case in the Bathurst and Orange areas and both associations will be striving to both attract new members and to encourage all members to actively umpire on a regular basis. All umpires are encouraged to be current members of NSWCUSA.

# ZONES AND AFFILIATES

## **Education and Development**

During the 2019 off-season, a Laws of Cricket Course was held in Dubbo. A number of new umpires were successful in passing the course while a number of existing umpires took the opportunity to update themselves on the new code. A further course scheduled for Orange was unfortunately cancelled due to lack of participants. Dubbo also hosted a well-attended Professional Development Workshop. All attendees benefitted greatly from the professional manner in which the training material was presented by a raft of vastly experienced umpires. Thanks to all involved in NSWCUSA.

It has been pleasing to see the development of umpires within the Zone in general with the more experienced umpires mentoring a number of younger umpires without hesitation as they transition in to higher standard matches. The other pleasing aspect was the willingness of umpires to travel to other venues within the Zone to cover umpire shortages, at times with short notice.

## **Key Highlights and Challenges**

The highlight of the season from a Zone perspective was the identification and development of a number of new umpires. Many of these umpires were rewarded for their efforts with appointments to finals matches within the Zone and to matches controlled by Country Cricket NSW at various venues throughout regional New South Wales.

COVID-19 will undoubtedly affect the 2020-21 season. The numerous umpire training courses run in regional areas during the off season will be impacted and this may result in the influx of new umpires being reduced. NSWCUSA are working on the provision of further online training resources and these will be pivotal in both maintaining current umpire levels but also in attracting new members. All umpiring affiliates within the Zone have an ageing membership and all will have to work hard as a group in these challenging times to continue with the existing umpire numbers.

## Sydney Shires Cricket Umpires' Association - David Goodman

Well where to begin? For our 120 members, this was undoubtedly an unprecedented season. A season that had every impediment thrown at it. With New South Wales in drought, we had matches affected by extreme heat, then by bushfires with matches affected by poor visibility and low air quality. If that wasn't enough, we had heavy rains impact some of our later rounds including the complete washout of both Frank Gray Shield Semi Finals and, most notably, matches were rain affected during the Shires Qualifying Finals on March 14 and 15. Then the spread of COVID-19 was the final nail in our season's coffin, succumbing less than two weeks before the Grand Finals.

Last year, I recall mentioning the second edition of the MCC 2017 Code which had come into force in the 2018-19 season. This year, there were no new Laws coming from Lord's. It was all about new and revised Playing Conditions including a Helmet Policy, Concussion Substitutes, Extreme Heat Policy, Replacement Players and Air Quality Directives. Our game was required to adapt quickly with the times; more than ever before.

Even to the extent that as we approached the end of the season, the Sydney Cricket Association supported the suggestion of no handshakes or team huddles and recommended that umpires bring their own water bottle for use at drinks intervals and their own food. Cricket, of course, is the only sport where meals are a key part of the Laws, with Law 11 setting out the lunch, tea and drinks intervals.

Once again, we managed 100% umpire coverage in all Shires fixtures. My sincere thanks to Troy Penman and Bede Sajowitz at NSWCUSA for their support in allowing the Shires Competition access to surplus umpires from Premier Cricket to cover the gaps we sometimes had in lower grade matches. We also supplied one umpire to every game in the Sunday Masters, Classics and Vintage competitions.

Due to the coronavirus pandemic, all Shires Competitions and the Chappelow Cup were cancelled two weeks prior to the end of the season. While it was disappointing to end the season on this note, our Association supports Cricket NSW and the Sydney Cricket Association in maintaining the welfare of all our umpires, as well as the players and volunteers, as a main priority. The Shires Competition Sub-Committee agreed with the SCA's decision to award Premiership titles to the Minor Premier in each grade. It should be noted that in all grades the Minor Premiers advanced to the semi-final stage of the competition as the number one ranked side, after the Qualifying Finals.

# ZONES AND AFFILIATES

As a result of this decision, the following Premiership winners were determined:

- Shires First Grade (RB Clark Cup)** Auburn CC
- Shires Second Grade (SJ Mayne Trophy)** Auburn CC
- Shires Third Grade (JB Hollander Cup)** Strathfield CC
- Shires Fourth Grade (Harry Culbert Trophy)** Strathfield CC
- Shires Fifth Grade (Tim Creer Cup)** Balmain South Sydney CC
- The Chappelow Cup** Macquarie University CC

The Frank Gray Shield Final – went ahead as planned on 16 February 2020 at Bexley Oval with umpires Simon Dodwell and Anthony Raymond officiating. In an exciting match, Lindfield defeated the defending champions, Georges River, by just five runs.

Our congratulations also go to Burwood Briars Cricket Club, who claimed the Dave Tribolet Club Championship trophy for 2019-20. This was their eighth consecutive Club Championship and 23rd overall - clearly the most successful club in Shires Club Championship history.

The Shires Spirit of Cricket Award is especially important to our umpires, being awarded as a result of the marks which we give teams after each match, across all the grades in our competition. There is no doubt that as umpires, there is greater pleasure taken in our match experience when a team's performance is conducted within the Spirit of Cricket. We are therefore delighted to congratulate Warringah Cricket Club as the recipient of this award for 2019-20.

I mentioned earlier that our Association provides umpires to the Masters, Classics and Vintage competitions. Congratulations to the three competition winners:

- Masters** Auburn CC
- Classics** Sri Lanka Lions CC
- Vintage** Georges River CC

The inaugural Cricket NSW Youth Championships were held in October through December, marking an important and historic structural reform to junior pathways throughout the State. The Youth Championships unified the 29 junior associations - 25 metropolitan and four regional - within the NSW Districts Cricket Association. The competition's team was led by SSCUA Member Bruce Whitehouse, Jessica McMahon (Cricket NSW Youth Championships Officer) and included our Association's Secretary and Life Member, Stephen Blomfield, who managed the umpires for these important fixtures. They did a fantastic job bringing the Youth Championships to reality and providing a wonderful opportunity for a large number of our Association's umpires to experience representative cricket. A total of 49 SSCUA members participated in the tournament across the ten playing Sundays and this was invaluable towards the goal of 100% umpire coverage with 122 umpires needing to be sourced on each Sunday where matches were being played in all competitions.

## ZONES AND AFFILIATES

I would like to thank all our Executive Committee, who have met regularly over the course of a difficult season and are now learning to use videoconferencing technology so that we can continue to 'meet' during these times of isolation. They give freely of their time, supporting Shires Cricket and the interests of our Association's membership. Our Association Secretary Stephen Blomfield continues to provide SSCUA members with excellent support off the field of play with our Shires handbook to assist with the SCA playing conditions (as well as those for Masters, Classics and Vintage competitions), late start tables and other useful information for first season umpires such as field craft and technique assistance. He ensures that all the match appointments are filled satisfactorily, results and reporting are completed correctly and statistics maintained. His preparation for our Committee and Members' General Meetings is always most thorough. Our Treasurer, Trevor Schokman is diligent and has done much to ensure our finances are in order and remain sound, providing us with budgets, actuals and forecasts at regular intervals. Thank you.

At our mid-season members meetings, the SSCUA invite guest speakers to speak to members. At our December meeting Darren Goodger, State Umpire Manager at Cricket NSW, spoke to the membership on a range of topics such as player management, conflict resolution and dealing with issues that result in code of conduct reporting. In February, Shannon Lane, who had a long and successful career in both Premier Cricket and Shires Cricket, spoke on his experiences as a player and a captain and about what he thought makes a good umpire and what captains look for when dealing with umpires.

We also celebrated a number of member milestone in season 2019-20:

- 300 Games - Spencer Harrison
- 250 Games - Peter Mooney
- 200 Games - Patrick Smellie, Michael Wheeler
- 150 Games - Kim Hunter, Derek Ponsford
- 100 Games - Stuart Wood
- 50 Games - Stephen Starks, Tim Overland

All these members were awarded an Association Polo Shirt with the number of games milestone sewn under our Association emblem.

The staff at the Sydney Cricket Association do much to ensure the success of the Sydney Shires competition. In that regard, I would give special mention and thanks to Competition Manager Sean Mantle and his fellow Cricket NSW staff Bruce Whitehouse and Roy Formica.

## ZONES AND AFFILIATES

We are most grateful for their support and the grant that the SCA gives to us each season. I would also like to thank the SCA Code of Conduct Commissioner, John McGruther, and his team.

Finally, acknowledgement and thanks are due to Troy Penman and Bede Sajowitz who work tirelessly for NSWCUSA from the offices of Cricket NSW - not forgetting the support our Association also receives from Darren Goodger. It is greatly appreciated.

To all who umpired in Shires cricket in 2019-20, once again a big thank you! Next year sees the 20th Anniversary of the Sydney Shires Cricket Umpires' Association. I look forward to all our members backing up for next season and enjoying another successful season of umpiring in the Shires competition. Let us hope and pray that it is one that goes smoothly.

Our Association's 19th Annual General Meeting will be held at Club Redfern on Wednesday 5 August 2020 at 7pm. I hope to see all our members at this year's meeting.

## Sydney Women's Cricket Umpires' Association - Russell Miles

Season 2019-20 saw the 28th year of the Sydney Women's Cricket Umpires' Association with a total of 68 members (including Life Members) being involved with the Association this season.

Our Office-Bearers for this season were:

**President** Kevin McFarlane

**Vice President** Kevin Battishill

**Treasurer** Norm Tickner

**Appointments Officer** John Colwell

**Delegate to NSWCUSA** Graeme Cartwright

**Secretary** Russell Miles

**Assistant Secretary** John Colwell

**Webmaster** Satish Kumar and Russell Miles

**Training Officer** Kevin McFarlane

This season in the Sydney Women's Cricket Umpires' Association (SWCUA) we saw the continued growth of our Association, as well as some new challenges that we had never faced in Sydney cricket before. We also continued our commitment to becoming one of the leading training grounds for new umpires and umpires looking to make their way through the pathway, with many of our members participating in the both NSW Men's Premier Cricket and Sydney Shires Cricket. Many of our members also participated in the Cricket NSW Metropolitan Youth Championships which also helped those members who were on standby to maintain their fieldcraft so they were prepared for their next NSW Women's Premier Cricket appointment.

We saw a growth in membership, with the number of members up to 68, with 14 new members joining the Association for the first time. Having so many members available we had the challenge once again to try and give all members an appointment. When this wasn't possible, we were fortunate enough to have the support of the Bankstown District Cricket Association and Stephen Blomfield of the Cricket NSW Youth Championships and Sydney Shires CUA to assist our members with finding a game. There was also the other side of the coin, on the weeks that we were short, we were lucky enough to have the same associations and NSWCUSA's Bede Sajowitz to lend us a hand to find umpires to fill appointments, especially of a Saturday.

We encourage, and are pleased with, an increase in new female members joining the Association as well. This season we had 12 female members officiate in the NSW Women's Premier Cricket competition with four being first-time members. We'd like to thank Claire Polosak for her support of our female umpires with regular training and workshops as well as recommending the Association to new female umpires.

## ZONES AND AFFILIATES

Due to a restructure in the NSW Women's Premier Cricket competition and the COVID-19 pandemic that we are facing, we didn't see as many finals take place this year. However, we did have some competitions go the distance including the First Grade T20, Second Grade T20 & Third Grade Limited-Overs. We also had semi-finals go ahead in most competitions before the season ended.

The First and Second Grade T20 Grand Finals this season were both held at the prestigious North Sydney Oval. We were fortunate enough to have members Bob McGregor and Russell Miles appointed to the Second Grade T20 Grand Final with Cricket NSW appointing Peter Tate and James Figallo to the First Grade T20 Grand Final. Congratulations to all on your appointments and thank you to Peter and James for being available on the day. All umpires performed well.

The Third Grade Limited-Overs Grand Final was officiated by Kevin McFarlane and Victor Gauci. They were appointed to this to reward their hard and consistent work over the course of the season.

Other umpires involved in NSW Women's Premier Cricket semi-finals included: Peter Ashton, John Colwell, Brian Ferguson, Kishore Kumar, Shalil Sant and Laurie Yeomans.

Thank you for being available for the semi-finals and for your hard work during the season which saw you earn those appointments.

The U15s Premier Competition ran again this season providing our members with increased opportunities to refine their technique and match management ability. This year, the competition was expanded to include more teams to aid the development of more young players. This was also used to train some of our newer or less experienced umpires with some of our more experienced campaigners. Thank you to Gordon Smith, Brian Ferguson and Gerry Forliano for taking some of our newer members under your wing.

Training within the SWCUA was again a regular occurrence this season. Thanks to the tireless work of Training Officer Kevin McFarlane and Appointments Officer John Colwell we were kept up to date with all of the Cricket NSW policies introduced throughout the season, such as the Helmet Policy and the Smoke Policy, as well as playing conditions that may have changed during the season.

Also contributing to training our members this season were Aldo Cantori and Vir Raheja, they regularly presented questions and scenarios to our monthly meetings for the members to discuss – their presentations were of the highest quality and we would often spend more time discussing the questions than we would discussing general business!

# ZONES AND AFFILIATES

More importantly, thank you to all of our members for engaging with the training this season and asking questions that would make the even the most experienced umpires think twice.

Our monthly meetings were held at Bankstown Sports Club this season, on the third Monday of every month. Thank you to everyone there who assisted to set up our meetings. They are amazing hosts and always willing to help out if we have any issues, even when we're still there hours after our meeting was finished.

A big thank you to Sean Mantle who is the competition manager for NSW Women's Premier Cricket. Throughout the season he has been supportive of our Association, often trusting our advice in regard to playing conditions and challenging situations. He has done an incredible job of keeping the competition running as smoothly as possible, it has been a pleasure working with you this season and we look forward to making the competition bigger and better next season.

Thank you to Troy Penman and his crew at the NSWCUSA. With your support and guidance, our association continues to grow and improve with each season. We look forward to working with you next season as well.

Congratulations and thank you to all the clubs in the NSW Women's Premier Cricket competition. Your hospitality and willingness to help out during this challenging season has been greatly appreciated by our members. We can't wait to continue the amazing relationship that we have with each club.

Lastly, thank you to all of our members. As we know this has been a very trying season with the introduction of many new policies and with heat, smoke and rain scenarios that we had never witnessed before. Every umpire within our association has been a true leader in handling these situations and we've all become better umpires from the experience. I look forward to working for you next season, hopefully 2020-21 will be nicer to us!

We'll see you all when cricket returns.

# SECTION 6 - CRICKET ASSOCIATIONS

## NSW Cricket Association - Mark Hughes

By way of background, our Association is one of a number that provides a delegate to meetings of the NSWCA. All 20 Men's Premier Cricket clubs are represented, along with the eight country Zones, the ACT Cricket Association, NSW Districts Cricket Association, NSW Women's Cricket Committee and Sydney Shires, along with three Appointed Directors of the NSW Cricket Board, 35 in all. This was my fourth season as NSWCUA's representative to these meetings.

The Annual General Meeting held in September 2019 saw the reappointment of NSWCA Patrons Mr. Alan Davidson AM MBE and The Hon. John Howard OM AC. The Honourable Margaret Beazley AO QC was also appointed as a patron.

Brett Lee and Simon Taufel were nominated by the Board to be elected as Life Members of the NSWCA. Both were humbled to be nominated, with Darren Goodger making the citation for Simon's Life Membership. Simon spoke via a recorded statement from the Caribbean, dressed in NSWCUA blazer and tie, and was humble in his response, recognising NSWCUA in his acceptance speech.

An election was held for the positions of three Directors to the NSW Cricket Board at the AGM; with Ms. Alexandra Blackwell, Mr. Edward Cowan and Mr. Richard Timbs taking the positions vacated by the expiring Board positions.

The AGM also saw Mr. John Knox, Mr. Mike Baird and Ms. Karen Robbins as Appointed Directors to the NSW Cricket Board.

Mr. Lyle Gorman (2013-19) and Mr. Marshall Rosen (2005-19), who are not continuing, were recognised for their contributions to the Board. Mr. Knox continues on as Chair of Cricket NSW.

Annual financial statements were tabled showing NSWCA to be in a strong financial position with revenues of \$47.2m, expenses of \$47.0m and surplus of \$191,256. Total equity increased as net assets held by Cricket NSW were in excess of \$22.2m.

During 2019-20, performances from New South Wales representative teams were strong at senior level, and very positive at the national underage championships. NSW were leading the Sheffield Shield with one round to go and were declared champions as the final round of matches and then the Final were cancelled due to COVID-19. The Blues finished sixth in the One-Day Cup. The Breakers were runners up to Western Australia in the WNCL. It was only the fourth time in 24 seasons the Breakers were unable to win the title, however the future is strong with seven members of the team that played the final being 20 years of age or younger.

The State also had success in a number of the national underage championships. NSW Metropolitan won the Male Under 19 National Championships and lost the Under 17 Championships Final by one run. The Female Under 15 team lost the final by a margin of only one wicket with three balls to spare.

The ACT/NSW Country team won Female Under 18 National Championships T20 competition and shared the 50 over title with Queensland after the final was abandoned due to wet weather. Performances of teams representing NSW Country in the Australian Country Cricket Championships were mixed, with the men's team finishing fourth overall whilst the women's team finished in third position.

In the BBL, both Sydney teams had strong seasons with the Sixers defeating the Melbourne Stars in a rain-affected final at the SCG and the Thunder making the play-off for the final after finishing the regular season in fifth place. In the WBBL, the Sixers and Thunder had disappointing campaigns finishing fifth and sixth respectively, with the Brisbane Heat recording back-to-back premierships.

Delegates meetings during the year were provided with presentations and updates on the Wilson Park development at Silverwater where Cricket NSW offices will be located, with a target completion date of early 2022. The facility, at cost of \$58m, will include an ICC-standard field and junior size field, a 15-lane indoor facility, 46 outdoor turf wickets initially, with a further 30 in the second stage of the development. Also included in the complex will be a gym, recovery and high performance and administration facilities.

# CRICKET ASSOCIATIONS

Delegates were also provided regular updates from Chief Executive Officer Lee Germon. At each delegates meeting Mr. Germon reminded delegates of the importance of our values - how we play the game, vision - to make cricket Australia's favourite sport, and purpose - to inspire everyone to love cricket. A high-performance review was completed over the last year to determine the ideal high-performance strategy, programs, investment and structures to position Cricket NSW as world leading. A restructure of the Cricket Performance department announced at the March delegates meeting.

Reports at delegates meetings this year were also provided by Phil Jacques on the male high-performance programs and updates on participation programs in the state. Open forums were also included in our ordinary general meetings to raise and discuss any questions delegates may wish to ask to either Board or Management of Cricket NSW. Updates regarding ongoing engagement with Cricket Australia and the SCG Trust were also provided at delegate meetings.

We were often reminded of the excellent work of our umpiring staff at Cricket NSW and were again acknowledged for providing 100% coverage of NSW Premier Cricket and Sydney Shires. It was noted in the high-performance review that umpire development and progression in New South Wales is regarded as the best in Australia. This is a wonderful achievement and an excellent reflection on the work from our hardworking team on staff at Cricket NSW.

The Committee to select the NSW Premier Cricket umpire panels was determined by the NSWCUA Board. The selectors were Laurie Borg, Graham Chudleigh, Errol Cranney, Bob Davis, Geoff Garland, Darren Goodger (Chair), Troy Penman and Graham Reed. As in previous years the criteria for umpires for panel selection included availability, commitment, perceived match fitness and suitability, performance, previous observations, reports from captains and attendance at necessary meetings. The Committee made selections based on ability already displayed, some room was also left for intuition in selections. The Committee ensured that selections on the various panels were made on merit.

The off-field observers were Laurie Borg, Graham Chudleigh, Errol Cranney, Bob Davis, Rupert Mathews and Graham Reed all of whom worked tirelessly to observe 168 different umpires and in total made 312 observations. Their work is appreciated by all and provides great service and feedback to the umpires. Administrator Bede Sajowitz and Education Officer Ben Treloar are hereby acknowledged and thanked for their timely distribution of observer reports.

A total of 195 umpires officiated in NSW Premier Cricket in season 2019-20.

Umpire appointments to NSW Premier Cricket competitions were the responsibility of the State Umpiring Manager (First Grade) and the Executive Officer (all other grades). The Administrator was responsible for the coordination of umpire payments. The record keeping of Ground Assessments, Spirit of Cricket Assessments and the Player and Captain of the Year awards for NSW Premier Cricket, Sydney Shires Cricket and NSW Women's Premier Cricket was again undertaken by SCA management.

The umpire appointments to Sydney Shires Cricket and NSW Women's Premier Cricket were the responsibility of the Appointment Officer within their respective Associations with significant volunteer time being spent by Stephen Blomfield (SSCUA) and Dr. John Colwell (SWCUA) in professionally completing these duties. The Association records its thanks here to Stephen and John for their dedication and commitment to excellence. Their work is appreciated by the SCA.

NSWCUSA keeps a record of umpire appointments to NSW Premier Cricket and Sydney Shires Cricket matches and presents certificates recognising the number of matches to which umpires have been appointed. These certificates commence at 100 matches and are presented for each 50 matches thereafter. ## Zone Umpire Representatives

The important role of Zone Umpire Representative continued and is the ongoing link between NSWCUA and the administration team of each of the Country Zones. Zone Umpire Representatives promote the benefits of umpiring and liaise with NSWCUA regarding the planning and implementation of umpire education and development programs in regional areas.

Don Maisey did not seek reappointment as Zone Umpire Representative for Central Coast and was replaced by David Grainger. Don is sincerely thanked for his many years of service. He has previously been honoured with principal membership for his service to umpiring on the Central Coast and to NSWCUA.

Zone Umpire Representatives for season 2019-20 were:

Gary Crombie (Central Northern), Paul Dilley APM (North Coastal), Neil Findlay (Greater Illawarra), Graeme Glazebrook (Western), David Grainger (Central Coast), Pat Kerin OAM (Riverina), Kim Norris (Newcastle).

We acknowledge and thank each Zone Umpire Representative for the work undertaken for cricket and umpiring in his zone. They are loyal people who do a wonderful job.

There is no Zone Umpire Representative for ACT Southern Districts, although it is noted that Andrew Scotford is employed as Territory Umpire Coordinator for Cricket ACT.

## Appreciation

Bruce Whitehouse is recognised and thanked for his ongoing help and assistance during the season. A good deal of his time is spent arranging accommodation for umpires attending the various country carnivals and reimbursing umpire expenses. Bruce's attention to detail in these matters, and his general support of NSWCUSA members, is much appreciated. Bruce has passion for bush cricket and is a genuine asset to NSWCCA and the excellent relationship that exists between the NSWCCA and NSWCUSA.

Graham Chudleigh, Neil Findlay, Keith Griffiths and Kim Norris are thanked for their respective roles as Carnival / Match Referees throughout the season. Their professionalism and care for the umpires is appreciated, as is the feedback they provide to support umpire development and improvement.

Neil Findlay in his first season as Country Umpire Coach did an outstanding job. He assisted the umpires to be committed, focused and professional in their approach with appropriate goal setting and self-assessment dialogue.

Ivan Spyrdz and the Community Cricket Staff are thanked and acknowledged for their fine work in support of the Plan B Regional T20 Bash and the Women's Regional Bash. It was a wonderful experience for players, umpires and scorers to have the final series of both programs played on the SCG.

# CRICKET ASSOCIATIONS

NSWCUSA expresses its gratitude to the NSWCCA Committee of Management for the opportunities that exist for country umpires to be involved in representative programs.

We acknowledge and thank all country umpires who serve the game so well in the bush, often travelling long distances to officiate in representative cricket and to receive professional development opportunities in the non-playing season. Their genuine commitment to upskilling is impressive, equally matched by their on-field performance. Our country members do a sterling job for NSWCCA.

## Umpiring in NSW Premier Cricket

NSWCUSA was pleased to welcome 20 members from New South Wales Country Affiliated Associations who took the opportunity to umpire in Sydney. Their names are listed in the State Umpiring Manager report. It is a highly rewarding experience. Members who wish to do so are encouraged to contact Executive Officer, Troy Penman to express their interest. All will be made most welcome and appointed to umpire in a grade, with an experienced colleague, commensurate with ability and experience.

Country umpires who officiate in New South Wales Premier Cricket seem to enjoy and gain benefit from the experience, and they certainly add value to the competition when they come to Sydney to umpire, being well received and welcomed by players and clubs.

Wayne Solomons, Phil Rainger, Ian James and Geoff Hoy

# SECTION 7 - FINANCE, COMMENTS AND CONCLUSION

## Treasurer's Report - Lauire Borg

The Treasurer's Report contains the Statement of Assets and Liabilities together with the Statement of Income and Expenditure for NSWCUSA in its 107th year, ending 30 April 2020.

### Statement of Income and Expenditure

The Association's overall result was a surplus of \$31,676.20.

Income totalled \$152,150.53 with the main components comprising:

- Umpire Service and Accreditation Grants – \$71,595.00.
- Merchandise sales were \$28,704.63. This represented a loss of \$17,849.92 which occurred for two reasons:
  - 1) The continued low-price reduction sale of Centenary merchandise;
  - 2) In the second year of the Beastwear sponsorship, the Association supplied members with field shirts at a minimal cost of \$10 per shirt (please note that this loss was reduced by the \$15,000 McDonald's sponsorship that is recorded as a separate item - also in its second year).
- Member and affiliate subscriptions totalled \$59,442.60 and were again the backbone of Association income. This is a reduction on 2018-19 as the Affiliation fee was reduced from \$55 to \$20.

Expenditure totalled \$120,474.33 which is a 15.5% decrease on 2018-19:

# FINANCE, COMMENTS AND CONCLUSION

## Administration Expenses

The total cost of the 2018-19 Annual Report was \$6,560.00.

General expenses of \$2,630.84 were a reduction from 2018-19.

Honoraria of \$11,450 recognised the continued wonderful contributions of our hard-working volunteers.

Funds paid to Cricket NSW for rental of four workstations, plus other payments paid to staff as approved by the Board for their outstanding efforts on behalf of NSWCUSA, totalled \$24,240.25.

## Training Expenses

The Board is committed to subsidising the cost of education and development programs for members.

The Convention returned a loss of \$17,388.02. A great Convention was delivered by the training team and we also wish to thank the Team at Bankstown Sports Club.

The continued concentration on the training and development of umpires and scorers was reflected with a spend of \$36,210.27 - a 68.7% increase on 2018-19. This cost does include the cost of 2019 MCC Law Books which were sent to the membership for free.

## Hospitality

Sadly, the Annual Dinner and Awards Presentation was not held at Bankstown Sports Club this year due to the Coronavirus restrictions.

We enjoyed post-meeting refreshments after the AGM and two OGMs including October where we celebrated the awarding of Life Membership to Neil Findlay and Geoff Garland.

## Statement of Assets and Liabilities

Total cash and deposits as at 30 April 2020 amounted to \$175,899.56. The Association is able to meet its ongoing financial contribution to Cricket NSW for the umpiring team into the future.

## Acknowledgements

Sincere thanks are offered to:

Troy Penman and Bede Sajowitz for their outstanding efforts on behalf of NSWCUSA. They are excellent administrators who attend to many matters on a weekly basis which assists the function of Treasurer.

Claire Polosak for recruiting new female members for the Association and for her fine work in facilitating Community Officiating workshops.

Ben Treloar for his work and innovation to develop and facilitate an online umpire training courses during COVID-19 restrictions for prospective members.

John Evans for his work in filling the merchandise orders and maintaining control over the merchandise stock. John does a fantastic job and is well supported by his wife Rosemary whose contribution is appreciated.

# FINANCE, COMMENTS AND CONCLUSION

Our Social Committee for their efforts in generating revenue and providing quality raffle prizes. Sharad Patel and their merry men have done a great job. We also thank those members who generously donated raffle prizes during 2019-20.

Board Chair Mark Hughes and all Directors for their support and guidance.

Beastwear for its continued sponsorship of NSWCUSA.

Cricket NSW for supporting NSWCUSA. Gratitude is expressed to CEO Lee Germon, the NSW Cricket Board, and General Manager Cricket Performance, David Moore.

Darren Goodger for his world-class work.

All members of the Association for your ongoing support and contribution to cricket. The Association exists for you, we aim to serve you as efficiently as possible.

## Summary

The Association is in a sound financial position. The surplus of \$31,676.20 will allow us to continue our focus on training and developing umpires and scorers in New South Wales. The state of the game was adversely affected in early 2020 with drought, fire and finally coronavirus. It left season 2019-20 unfinished with teams unable to celebrate winning finals and umpires gathering to celebrate the successes of our fellow umpires in the traditional way.

The focus in 2020-21 will be on how we can continue to deliver Laws courses and professional development workshops for members in new ways so that we can remain at the forefront of education for our members and anyone who wants to learn about the laws.

It has been a pleasure to serve the Association in my 13th term as Treasurer and I wish you all the very best for the 2020-21 season.

## Comments and Conclusion - Troy Penman

It has been a season of change for NSWCUSA. A restructure at Cricket NSW saw the secondment of Darren Goodger to the role of Senior Manager, Cricket NSW. The secondment took Darren away from the day to day running of NSWCUSA whilst remaining the State Umpiring Manager for NSW.

The match officials' team at Cricket NSW;

**Administrator** Bede Sajowitz

**Education Officer** Ben Treloar

**Umpire Educator/Female Umpire Engagement** Claire Polosak

**State Umpiring Manager** Darren Goodger

**Executive Officer** Troy Penman

Bede Sajowitz was promoted to the role of Administrator on October 19, this was recognition for his hard work, conscientiousness and dedication to the Association. The new role has seen him move into managing some of the Association's big-ticket items. Bede has had an outstanding year, working tirelessly to promote the Association through social media channels and providing exceptional service to the membership.

Ben Treloar commenced with the Association on November 22. Ben's focus is purely on member education. An initiative that commenced in October as a result of the excellent work that the Exam Committee were doing for each Ordinary General Meeting and a desire to provide further education to all members was monthly Laws of Cricket questions. These questions are to help members and affiliates with their development. Each month Laws of Cricket questions are provided with the answers provided the following week.

Ben has also developed our Level 2 Laws of Cricket courses into an online product that can be undertaken by prospective members via zoom. This has allowed NSWCUSA to be a leader in online training and take advantage of people being unable to partake in winter sports during isolation.

Claire Polosak in her role as Umpire Educator / Female Engagement has done an outstanding job in facilitating 24 Level 1 courses across the state. These courses provide the basic umpiring information to prospective members and the flow-on effect to the NSWCUSA Level 2 course is substantial. People attend the Level 2 course with a considerable level of knowledge which holds them in good stead for the more advanced course. The overall result is more members for NSWCUSA.

# FINANCE, COMMENTS AND CONCLUSION

Through Claire's excellent work we currently have nine female umpires officiating in NSW Men's Premier Cricket on a regular basis accounting for 152 appointments. Across the state in season 2019-20 there were 286 female umpire appointments an increase of 38% on season 2018-19.

Darren Goodger is thanked for his guidance and assistance throughout season 2019-20. Whilst stepping away from the day to day running of NSWCUSA the success of the Association is always at the forefront of his thinking. His work as State Umpiring Manager continues to lead the way in Australia and it's no mistake as to why NSW is well represented at Cricket Australia National Carnivals and in the umpiring pathway.

NSWCUSA membership stands at 1,320 with 45 affiliated associations. Because of training courses facilitated across the State we were able to accredit more than 138 new umpires, an outstanding result. The training team can be well pleased with this result. Laurie Borg and Darren Goodger are thanked for their continued effort in leading the way with training of prospective members. We constantly need new umpires coming into the ranks to ensure a strong officiating future for all NSW competitions.

With COVID-19 restrictions preventing the Association from hosting its Annual Dinner and Awards Presentation scheduled for April 18, Award winners and specific milestones were recognised via email commencing on Tuesday April 21 and concluding on Friday April 24.

This season saw 134 members reach a Years of Service milestone, we appreciate the commitment and loyalty of these members. Special acknowledgement to Graham Reed for reaching 55 years of service and Jack Bell, Dick French OAM, Arthur Watson and Chris Weir who all reached 50 years of service to NSWCUSA.

Government restrictions have also prevented a date from being set for the Association's AGM. Directors are monitoring the situation and members will be advised when a date has been finalised.

A special vote of thanks to all Board Directors, Office-Bearers, committee members, accredited trainers and volunteers. All work tirelessly for the betterment of the Association and make a significant contribution. All do so in a volunteer capacity, are committed and set high standards.

The work of the Office-Bearers in our Affiliated Associations is very much appreciated. The Association remains committed to all affiliates and to assisting with general administration, umpire education and development, and with training courses for prospective umpires. If our affiliates can build the interest, we will commit to providing the services.

# FINANCE, COMMENTS AND CONCLUSION

Liaison Officer, Neil Findlay, is acknowledged for his tremendous work with Affiliated Associations. He is in regular communication with all affiliates and reports regularly to the Board about the events and happenings of each. The Association remains committed to being represented at the AGM of as many affiliates as possible.

We also acknowledge our hard-working Zone Umpire Representatives in each of the Country Cricket Zones. Their work in advertising courses and promoting NSWCUA ensures that we remain a state-wide Association.

Merchandise Officer, John Evans continues to work tirelessly for the Association. He is dedicated to ensuring that once orders are received, they're fulfilled as soon as possible. The Association has achieved strong merchandise sales under his management. We thank John, and his wife Rosemary, for the countless hours of ordering, sorting, packaging and dispatching. John displays a true commitment to excellence in this role and he is superbly organised. All members benefit from his positive contribution.

A vote of thanks is also offered to the Social Committee, driven by Sharad Patel, for generating enthusiasm at monthly meetings with the various raffle prizes. They are commended for their positive energy and did a great job.

Members of the Scorers' Committee and Examination Committee are thanked for their contribution to the Association. Andrew Coates and his team did an excellent job at monthly meetings with questionnaires provided on NSW Premier Cricket playing conditions and the Laws of Cricket for the benefit of members. The willingness of the committee to present at each meeting is appreciated.

The members of the NSW State Umpire Panel are thanked for this season extending themselves to present on specific topics at each OGM. Members who attended these OGMs were provided with helpful tips and tools that they could implement into their umpiring moving forward.

Ian Wright, as Social Appointments Officer, spent countless hours in arranging umpire appointments to social matches. Ian's professionalism, integrity and dedication are appreciated. He continues to serve the Association to an exceptional standard.

Merilyn Fowler made an excellent contribution with regard to appointing scorers to matches in the Cricket NSW pathway programs, doing so with her usual professionalism and diligence.

# FINANCE, COMMENTS AND CONCLUSION

Merilyn and Narelle Johnston are thanked for their contribution to the Representative Scorer Selection Committee. Both spent hours juggling appointments to ensure that all matches were covered and that the work load was spread across the Representative Scorer Panel.

Honorary Staticition, Stephen Blomfield is thanked for his efforts across the season. Stephen's attention to detail and planning allows for members milestones to be appropriately recognised and acknowledged. He is also thanked for his assistance with the coverage of umpires to male SCA matches.

We acknowledge the positive contribution made by our Co-Patrons – Brian Booth MBE, Alan Davidson AM MBE, Dick French OAM and Graham Reed. Each is a true supporter of umpiring and of our Association. We are blessed to have them as patrons.

Sincere thanks are offered for the support and trust given to NSWCUA by Cricket NSW. Cricket NSW desires to be number one in all areas, including umpiring, and resources match officials better than any other State Cricket Association. To Lee Germon (CEO), John Knox (Board Chair) and the New South Wales Cricket Board, NSWCUA expresses its appreciation. The leadership and management of the State Cricket Association has been outstanding throughout the COVID-19 crisis.

Finally, my appreciation is extended to the Directors of the NSWCUA Board for their guidance, advice and support. They act with the best interests of NSWCUA at the forefront of their thinking. The Directors are supportive of the Management Team and their endeavours to develop and improve the Association. With this being my first season in the role, I have appreciated the leadership and counsel of Mark Hughes as Board Chair. Through these tough economic times NSWCUA remains in a sound financial position, we thank Laurie Borg for his prudent management of the Association's finances.

As we look ahead to the upcoming season, we remain unsure of how much cricket will be played and under what circumstances, but there will be cricket and we will be able to continue to do what we love. I wish all members every success, whatever that entails for you, and much enjoyment in 2020-21 and beyond. Let the countdown begin.

*"The secret of success in life is for a person to be ready for their opportunity when it comes"*  
Benjamin Disraeli.
